"Giving priority time to priority issues"

Church History of Buies Creek First Baptist Church
-Organized in 1875-

Over a century and a half ago, two settlers with the names of Buies and Hughes established their home on the Cape Fear river where three creeks came together to form Buies Creek, which empties into the Cape Fear River. Many years later in 1874, the Rev. Allen Betts began a Sunday School in a small school house located near the present church building. A revival was held in the fall of 1875 and the church was organized as an "outgrowth" of Neill's Creek Baptist Church. Among those active in organizing the church were deacons William Pearson, Reddin Byrd, their families, and others. There were 24 charter members and Mr. and Mrs. James H. Gregory gave an acre of land for the church and the first church house was built around 1876.

The Rev. Allen Betts was called to be the first pastor in 1875, followed by the Rev. J. M. Hollenman who served until 1890. The Rev. J. A. Campbell was called in 1891 and served for a few years, followed at the time by Rev. William Page and Rev. A. N. Campbell who was the father of J. A. Campbell. Rev. J. A. Campbell was again called in 1898, after he had opened a small academy. The church and school soon began to have phenomenal growth and so the school auditorium was used for worship and the classrooms for additional Sunday School rooms.

After an appropriate service of ground breaking on October 11, 1913, construction began on the present church sanctuary which was a church and community project. Men and women gave money, worked with their own hands, furnished teams and wagons to haul bricks, and gave and gave again. When the sanctuary was completed, it was free of indebtness and was valued at $30,000. That same year a number of revivals were held and many baptisms were recorded. In 1928 the church led Little River Baptist Association in membership with 868.

After a total of forty years as pastor, the Rev. J. A. Campbell died in 1934. Later that year, the Rev. Charles B. Howard became the first full time pastor and served for eleven years. Following him as pastor were Dr. A. Paul Bagby and Dr. J. William Angell. In 1952, the Rev. E. Weldon Johnson became pastor of the church and chaplain of Campbell College. He served the college for 10 years and the church for 24 fruitful years, succumbling to a heart attack in July of 1975.

Dr. John S. Rogers became pastor in 1976 and served the church exceptionally well for the next 17 years. Through his creative and innovative leadership the church began many new ministries and reached out to hundreds of adults, college students, youth, and children. During those years, the church experienced very significant adventures in missions. A group of 14 adults spent a month in Russia on a special teaching mission; 11 adults spent ten days in mission work in Guatemala; many participated in a missions effort to migrant workers; 25 youth and adults spent a week in Baltimore, MD, in intercity missions and 20 youth and adults went on a week long mission trip to Trinidad. Two young women answered God's call to full time mission work.

In the fall of 1995, the church called a Raleigh minister, Dr. J. Michael Simmons, to become its eleventh pastor. Dr. Simmons, an excellent proclaimer of the Gospel, looks forward to a long and fruitful ministry with Buies Creek First Baptist

Church and Little River Baptist Association.

This very brief history of Buies Creek First Baptist Church is really a story about people who have come together to be a local expression of God's kingdom on earth. All that has gone before 121 years was to the end that souls should be saved, the Bible taught, the needy and troubled befriended, the sick visited, while helping to send the Gospel around the world through the gifts and the witness of the congregation. A few names are mentioned in this brief account, but God's Honor Roll of the members of Buies Creek First Baptist Church would include many, many more who have been faithful in helping to strengthen the church for which Christ gave His life.

Church History of Dunn First Baptist Church

- Organizied in 1885 -

"In the middle or late 1870's what is now the town of Dunn was chiefly woodland broken here and there by small cotton fields and occasionally a farm dwelling. On every side, deep swamps formed an almost impenetrable barrier...contact with the outside world centered through Averasboro. It was here that the old stage coach or post road from Raleigh and Fayetteville converged with the road from Smithfield. Here also contacts were made by ferry with settlements from 'over the river'. Also, somewhat limited travel was available by pole boat navigation down the Cape Fear River by way of Fayetteville to Wilmington.

In 1885, a 'short cut' railroad was begun and was completed on October 1, 1886...The Dunn Depot was placed at the 50 mile post from Wilson...The name Dunn was in honor of Mr. Bennett R. Dunn, the civil engineer who laid out the road bed and personally supervised the construction of the railroad between Wilson and Fayetteville." (From *A History of Dunn,* by Herman P. Green)

Beginning about 1883, "roving missionaries" from South River Baptist Association had been preaching at Pope's Schoolhouse, located on the site of present-day Greenwood Cemetery. On September 27, 1885 the Greenwood Baptist Church was constituted and was admitted to the South River Association only twenty-three days later, on October 20, 1885. The first pastor was Reverend William R. Johnson.

The church's name was changed to Dunn Baptist Church about 1887, when the church moved from Greenwood (Pope's Schoolhouse) into the town of Dunn. The name was changed to First Baptist Church about 1909.

The church continued her affiliation with the South River Association until November, 1893, when the Little River Baptist Association received her as a member church.

Like most fledgling churches, Dunn Baptist met in borrowed or rented space during the early years. To this day, she has had only two permanent houses of worship, both built upon the present site. The first, a beautiful frame structure, was completed in May 1888. Construction on the present sanctuary began in early 1913 and it was first used in December, 1914. The sanctuary has been redecorated several times since then, and was completely refurbished and modernized in 1994. The church has two additional buildings for education. First Baptist has given birth to five daughter churches over the years. Second, North Clinton, Faith, Westfield and Crestview Baptist Churches are all offspring of this missions-minded congregation.

Twenty-two pastors have served First Baptist in her 111 years. Her present pastor is Dr. J. Richard McDuffie, Jr. who has served the church since November 1, 1991.

The church has 556 resident members and 973 total members.

AMERICAN BIBLE SOCIETY

The purpose of the American Bible Society has remained unchanged since 1816 when the ABS was founded to provide quality Bibles at affordable prices.

There is no more precious gift than God's Word. The American Bible Society helped to distribute 234 million Bibles, New Testaments, and Scriptures in 1995.

American Bible Society is also recognized as a world leader in Bible translation, not only translating the English Scriptures, but also supporting United Bible Societies translation teams working in more than 500 other languages around the world. Being stewards of God's Word has an educational dimension - to rally the support of others to the Bible cause and encourage Christians everywhere to join in supporting the use and availability of God's Word. ABS relies on partnerships with churches and individuals from every Christian tradition to take up the commission to share God's Word through worldwide translation and distribution. God's Spirit speaks through the Bible. The Bible has proven to be the Church's most effective means for evangelism.

The focus of the 1995 ABS annual report is the new Contemporary English Version, which is published 20 years after the popular Good News Bible was introduced. According to Dr. Barclay Newman, senior translator the Contemporary English Version (CEV) attempts to bring God's Word down to earth. Newman says, "We are trying to set God's Word free from traditional translations that don't speak in down-to-earth language - that don't use everyday colloquial English to express the meaning of the eternal Word of God." Through an extensive grant program, ABS sponsors the use of the CEV to reach many varied groups: people whose reading ability is limited, those unfamiliar with "church words" prevalent in other translations, or those for whom English is not a first language. Grants made possible the distribution of 79 million Scriptures in the U.S. between January 1994 and June 1995.

ABS volunteers encourage the use of the scriptures in any of the many versions available. Volunteers often are the first to arrive at disaster sites, such as floods and earthquakes, bringing God's Word with its promises of hope.

The American Bible Society has distributed God's Word to a nation of immigrants, people of many cultures speaking many different languages. The current ABS catalog offers Bibles and Testaments in 67 languages. Both in the U.S. and overseas there are many languages for which there is no Bible available. Of an estimated 6,000 languages, the complete Bible has been recorded in only 341. Another 822 have only the New Testament. At least one book from the Bible has been translated into 2,125 of the remaining languages. Bible translation has accelerated in the past five years.

The demand for Bibles is greater than at any other time in history. Just ten years ago, a third of the world's population of five billion people were forbidden to own Bibles. In China, Bibles were banned and burned until just a few years ago. Throughout the former Soviet Union, no Bibles were published for years. And in Vietnam, Christians were harassed.

But the faithful and all-powerful God has broken through the darkness. The growing distribution and publication of Bibles in China and the former Soviet Union is spiritual food for new faith. For millions more, now free to openly practice their faith, Bibles provide life-sustaining nourishment. Yet there are few, if any, Bibles. Through the United Bible Societies, an international fellowship of 120 Bible Societies world-wide, the ABS is working hard to fill this spiritual void.

ASSISTeam Director Annual Report for 1996

The Little River Baptist Association now has a fully staffed ASSISTeam who attended leadership training in August 1996. Since that time we conducted a Sunday School Clinic at Harmony Baptist Church where approximately 75 people showed up for the session. Of the 75, thirteen churches were represented and the event was considered a resounding success. We have scheduled three more clinics: September 26 - Hillmon Grove Baptist Church, October 10 - Baptist Grove Church (Hurricane Fran precluded this clinic from happening earlier), October 17 - Westfield

Baptist Church, and October 24 -Angier Baptist Church. Some of the team is scheduled for follow-up leadership training during the month of October 1996.

Although new, the team's vision is to conduct approximately 4 clinics per quarter and follow-up with individualized help, as necessary. As the new year begins and the word gets out about the team, we look forward to God working through the ASSISTeam to Associational churches in an exciting way.

Baptist Children's Homes of North Carolina - 1996

Primed for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville, June 26 when Michael Owen jogged into view - carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children of the Baptist Children's Homes served in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route. The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier - a bicycle rider. It could have been a family reunion, or a school scene, or a re-creation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them. And the adults who waded into the mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him deal with those issues, and to overcome them.

As a boy, Michael was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was 11 years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving. "Go ahead, call someone," he yelled. "Leave." Michael left. After six months in emergency care at

Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly, quietly his emotions mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker, Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson in trust and unconditional love. "Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer. But at four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 26.2 percent of BCH operating revenue. BCH is in the midst of a $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than $5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest videos to tell you about our ministry to children and families through Baptist Children's Homes of North Carolina .

Although Michael carries many fond memories of Baptist Children's Homes with him as he heads for college this Fall, his earliest amazements were the secure sleep he got when he laid his head down and receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance. From head to toe BCH cares for children and families. Thank you for helping to Light Their Way.

Baptist College/University Report 1996

Since 1834 North Carolina Baptist College and Universities have been privileged to have many splendid presidents. The current presidents are listed at the end of this article. They were elected to take the lead in dreaming, shaping, and managing Baptist higher education in North Carolina.

Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.

Dr. A. Max Lennon was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the

B.S. and Ph. D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirkby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott (Johnnye) were long-time, active members of Emmanuel Baptist Church, near Louisiana College. Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join North Carolina Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

Baptist Retirement Homes of North Carolina, Inc.

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal. Some new staff members have been added to help provide the kind of total care which residents need and deserve. *Tania Keay* has been employed as *Vice President* of the *Health Services Division*. *Paulette Richmond* came as the *new Manager* of the *Hamilton Baptist Home*. *Carla Hyde* was named *Director* of the small group program for residents with dementia, a program designated to enhance their quality of life. *Patricia Fling* is the *Director* of the *In Home Care* program which began a few months ago. *Dr. Earl Watts*, an Associate Professor at the Bowman Gray School of Medicine, is serving as the *Medical Director* for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gerture Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court", will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27 acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent. Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the Cooperative Program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12 months period ending September 30, 1995. The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults...**The Best of Times!**

Belarussian Children Project 96

The Belarussian Steering Committee was appointed and an organizational meeting was held in early December of 1995. Committee members were ***Bill and Jean Tomlinson, Jerry and Jane Bradley, Joe Sakas, George Simmons, Dorothy Barham, Bob Grindle, and Dan Andrews.*** Committee assignments were given and meetings were held monthly thereafter. Host families were chosen after much prayer and informational sessions were held up until the children arrived. During the time that applications were being screened, the committee was hard at work putting together travel arrangements, doctor, dentist, and eye exams, recreational events, medical supplies, and food for the trip to and from Washington Dulles International Airport where the children arrived from Belarus.

The Little River Baptist Association's churches are to be commended for their response to the financial requirements of this project. Enclosed you will find a financial report which shows how the Lord works among Christians when a need exists. Our committee set a goal of $30,000 to bring the children here and to take care of other requirements. By the grace of God, we received from our churches and other sources an amount of $29,810.52.

A ***'Belarus Children and Host Families Social'*** was held on July 6, 1996 at Mr. Bill Godwin's home in Dunn. The response was outstanding. The children and the host families all had a wonderful time. Much thanks also goes to Bob Grindle, Charles Rambeau, Susan Murray and Melissa Culbreth for their help. Music was provided by Jim and Anna Corbett. It was a truly uplifting day of fellowship and joy. Many new friends were made and Christian love was displayed.

The children's time here was from Sunday, June 16th till Saturday, July 27th. When the children left on the 27th for their return trip to Belarus, many tears were on the faces of the large crowd that was present to see the children off. Anyone who was present will never forget how difficult it was to turn their precious gems loose.

An ***'Appreciation Banquet'*** was held on Tuesday, August 27th, recognizing the host families, the Steering Committee and professionals who took part in our program. Testimonies were given by host families and tears again were the order of the day, along with many happy related experiences.

We as Christians know that the fruits of our labor as it was applied to these children will show up in the future. We only have to look at those who returned to see the Christian response in their hearts.

"Jesus took a little child and had him stand among them. Taking him in his arms, he said to them, 'Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me.'"

Biblical Recorder

The headlines each day - Bosnia, Belfast, Saudi Arabia, taxes, school funding, presidential elections, etc., often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing.

The Biblical Recorder attempts to tell the whole story, the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. **The Biblical Recorder** was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the **Recorder** more needed than now for people to have the truth. We live in an electronic media age where many think they have the answers to the issues but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the **Recorder,** incorporated Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news into the **Biblical Recorder** which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs make CNS a greater value in 1996-97 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the **Recorder** was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Life and Public Affairs
Annual Report 1996

Jesus calls us to be "the salt of the earth and the light of the world," that is, to exert our influence on public morals in our society. We do this, as Baptists, through our personal lives where we live, and together through our Baptist State Convention. The Council on Christian Life and Public Affairs is the agency of our convention that leads in this area.

We work with other denominations also in moral and social issues through the Christian Action League of North Carolina, which embraces nearly all of the denominations in our state. While churches are limited in what we can do in these areas without losing our tax-exempt status, the League can do, and has been doing so in influencing legislation and voting on moral issues.

During the past year there have been continuing efforts to bring our state into the gambling business through a lottery, but they have been defeated, thanks to the influence of public-spirited citizens. We have been successful also in efforts to get the teaching of abstinence before marriage offered in our public schools, and legislation has been passed to make it so. We must recognize the efforts of the Woman's Missionary Union and the Baptist Men in this issue.

We must be ever alert to the efforts to make beverage alcohol more readily available everywhere in our state. Here we have had the able assistance of the Christian Action League. Substance abuse is one of the hardest problems to face, and we are thankful for the efforts of our Baptist State Convention to deal with this issue. Baptists believe that we are responsible to God to be the best citizens that we can be, and this means that we are to always do our best in the area of moral and spiritual affairs. We are influencing our society for the better. Let us keep it up and even do it better.

Discipleship Training Report

The LIFE Support Ministry of the Association began last year with our first group using Making Peace With Your Past. The group of twelve from three (3) churches began with a retreat in late October and finished in May, 1996. This summer, Rudy West, a licensed professional counselor in Lillington, and David Oyster conducted facilitator training with five (5) persons. Another Making Peace group of eight from three (3) churches began in September, 1996. Dr. George Fuller, pastor of the New Community Baptist Church of Raleigh and a director of the Raleigh Association support group ministry, spoke to our Ministers Conference in October, 1996, about the benefits to a church from a support group ministry. Additional groups will begin as interest increases. Types of groups we would like to form include those on low self-esteem, dysfunctional family issues, grief recovery, divorce, eating disorders, codependency, sexual abuse, nicotine addiction, and chemical dependency.

Discipleship Training held two strategy meetings this summer to receive input from invited pastors, church staff, and lay members on how LRBA Discipleship Training can help our churches in their Christ-mandated process of making disciples. Plans are being made as a result of these meetings.

Evangelism Report

This year has been one of training and preparation for 1997. During the Key-Leadership Conference at Fort Caswell this year, I attended the conference on evangelism. There I was trained in a new program called ***People Sharing Jesus.*** This will be the emphasis all around the Southern Baptist Conference and throughout North Carolina over the remaining years in this century. It is an approach which teaches every Christian how to share Christ in an easy and effective manner. In addition to this training, our Director of Missions and I attended an evangelism workshop in Chicago which was sponsored by the Home Mission Board. There we were shown some very helpful materials and given some good information to use with our association in evangelism training. To further our preparation for 1997, our Director of Missions attended a state Launch Rally for *People Sharing Jesus* in Fayetteville and a conference on *Total Church Life*, another approach to church growth and evangelism.

I am looking forward to 1997 as a time for a strong evangelistic campaign to take place. In the early part of the year our association plans to offer training for our churches in both People Sharing Jesus and Total Church Life. In June we are planning an **Associational Youth Rally** with *Witness*, the youth evangelism musical team from the Baptist State Convention. Then, in September, we are hoping to have an old fashioned tent revival for the Association. These plans are still in the making.

In order for our plans to go forward, we need your prayers, support, and help. I am convinced if evangelism is to take place in our churches, both our churches and our Association must plan to reach people for Jesus and make this a priority. I hope you will join us in this effort and make 1997 our best year of church growth so far in our Association.

IN MEMORIAM

In Psalms 116:15 we read, *"Previous in the sight of the LORD is the death of his saints."*

It is difficult for us to comprehend the total significance of the above statement, for we are often times so saddened at the loss of our loved ones we can't grasp the total significance of the death of a Christian. But the Bible has many promises for those of faith in Jesus Christ to hold on to.

In John 14 Jesus said, "Let not your heart be troubled; ye believe in God, believe also in me. In my Father's house are many mansions; if it were not so, I would have not told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

Today we hold fast to this promise of our Savior. We can rest assured that our saved loved ones are held steadfast in His love. And where they are, we may be also. James Montgomery expressed it this way.

> **"Servant of God, rest from they loved employ; the battle fought, the victory won. Enter thy Master's joy. The pains of death are past, labor and sorrow cease. And life's long warfare closed at last. Thy soul is found in peace. Servant of God, well done. Thy glorious warfare past; the battle fought, the race is won and thou art crowned at last."**

Mision Hispana De Buies Creek

It is a great task that this Association has undertaken in the last two years. Keeping an Hispanic ministry afloat at times can be a challenge, but it is always rewarding. But throughout everything that has come into our path, we are all motivated by the love of Jesus Christ and the desire to help our Hispanic brothers and sisters come to know that saving knowledge of our precious Savior. It is the forementioned knowledge that makes it necessary for the Council to do whatever it takes to assure the continuing success of the Mission.

I have seen tremendous growth in the Mission Ministry. Although the weather has hampered our efforts this summer, we feel that serious strides were made in furthering the work of the Mission. One thing that makes me smile the most was the amount of Hispanic men and women who gave their lives to Jesus and were baptized during this year. I feel that many migrants were and are on the verge of making their decision for Christ. I feel our momentum was slowed by the arrival of Hurricane Fran. This hurricane caused a lot of damage in our area, and the migrants were responsible for working many overtime hours for their farms. Some Hispanics also had the opportunity to play the other role of a witness. Pastor Mercado took his congregation to an area prison to witness there. There were many prisoners who made their decision for Christ during these visits.

We have had so many positive things to happen, but I feel that we have only scratched the surface. But there is one problem - continual funding for our efforts. Unlike most Anglo missions, the Hispanic Mission of Buies Creek will not be able to stand on its own anytime in the near future. When 95 percent of a congregation is migratory, this presents a problem in raising enough money to keep the ministry going. Sure, some churches members tithe, but it does not come close to the amount of money needed to run the Mission during the fiscal year. I am asking for your continued support. Churches in the Association are making a difference with "love offerings". We are also going to implement a plan of talking with each church in the Association personally about budgeting a line item for the Mission. But since we are unsure about how much of an impact this will make, we need your continual support. It would be a tragedy to allow a ministry that is making a difference in this area to be destroyed due to a lack of funding.

I would be glad to answer any questions that you might have. Feel free to contact me at Michael Scott Avery, PO Box 355, Coats, NC 27521 or by phone (910) 897-5360.

Moderator and Executive Committee Report

This year of 1996 has been characterized by many important mission endeavors, and as one of transition. Thanks to the outstanding work of the DOM Search Committee, the call was extended to Reverend Daniel M. Deaton, pastor of Friendship Baptist, to come as our new Director of Missions. He accepted the call and reported to his new position in February 1996. He came on board fast and has been moving rapidly forward in getting the Associational work organized and numerous mission projects on track. With his vision for the future, care-giving to pastors, support of the various committees, visitation and support of churches, and preliminary work in getting two missions ready for start up, I can only see good things ahead for LRBA. Under his leadership and with your cooperation God is ready to do great things in and through us together.

This is the last year of our involvement in the New York Partnership on a formal basis, though individual churches may choose to continue informally in support of the Adirondack Baptist Association. A number of our churches have sent adult and youth groups for work and ministry projects, such as back-yard Bible schools, preaching, painting and work on church buildings. And, groups from the Adirondack Baptist Association came to a number of our churches to conduct the weekend studies from Experiencing God.

Once again there was a flurry of activity getting ready for, receiving and caring for the 30 children who came in the Belarussian Children Project. Without exception the reports from churches and host families were very positive. We owe a debt of gratitude to the Belarussian Steering Committee, ably led by Bill Tomlinson, and those churches and families who participated either as hosts or through generous giving. And, our sincere thanks to doctors, dentists, nurses and others who gave their time and professional assistance to these children. It was a blessing indeed! And, plans are already underway to do it again.

The Hispanic Mission has been doing some significant ministries in their efforts to reach the transient farm laborers, and other more permanent Hispanic families. J. T. Mercado, the pastor, is bi-vocational, and doing a great job. I hope you will call on some of the willing Council members to come to your church to familiarize you with the ministry they are performing. They deeply appreciate the volunteers who assist, your contributions and prayers.

During the year the Association voted to participate in the South Africa Partnership sponsored by the North Carolina Baptist Convention. The Association sent Reverend Grover Blackburn, pastor of Angier Baptist, on an orientation and information gathering visit to South Africa. He will work as chairperson of the steering committee, and provide assistance to churches participating in the Partnership.

A number of our pastors have been called to other churches outside of the Association during this year, and we have had new pastors to come into the Association during the year as well. From all reports they have been well received by the churches to which they were called. These new pastors will be introduced at the Annual Association Meeting in October.

The Executive Committee has been meeting on a quarterly basis, with an extra meeting here and there to take care of business. For the general Officers, and those who participated in the Associational Council and Executive Committee, and for the very successful work of the ASSISTeam, and work of the various committees, I can only express, on behalf of the Association, our deepest gratitude.

At the Annual meeting I will complete my two years as Moderator. My deepest thanks to you for your support and prayers.

North Carolina Baptist Foundation, Inc.
1995 Annual Report

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide financial undergirding of these ministries.

As of December 31, 1995, the Foundation held $55,608,452 under management. In 1995, $3,144,471 was distributed to Baptist work and $1,125,383 was distributed to individuals for a total distribution of $4,269,854.

The income distributions for the entire 76 year history of the NC Baptist Foundation totals: $9,673,682 income paid to individuals and $13,458,579 to Baptist churches, institutions and mission causes for a grand historical total of $23,132,261.

The Little River Baptist Association is now in a very unique position. The North

Carolina Baptist Foundation has supplied manpower to give extensive help to two of the eighty associations in North Carolina. Little River Baptist Association has been selected as one of these two.

By being in this special position, our Association will be able to receive extra time from the NCBF. The Foundation will work with some of our senior citizen groups to show how we can convert assets that are not producing much current income into:

1). Income for now. 2). Income for our heirs.
3). A tax saving for now. 4). And ultimately a gift to the Lord's work that will continue until He returns.

Every church in our Association should take advantage of this opportunity. It can be meaningful: 1) to the individual, 2) to the church, 3) to the Association. The first churches to ask for Mr. Overby's time will be among the first to have his services. Opportunity for his time can be set with Reverend Dan Deaton.

The North Carolina Baptist Hospitals, Inc.

Hospital Highlights for 1996

Division of Pastoral Care - During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts. As of July 1, 1996, the counseling centers will be called *CareNet, Inc.*, of The North Carolina Baptist Hospitals, Inc.. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year. The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches. Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

Baptist Benevolent Care Fund - North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,467, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

Points of Emphasis and Progress - *Financial Stewardship*: The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day. *Aegis:* This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliation. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites. *QualChoice of North Carolina:* QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice. *Regional Integrated Information Network:* RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services. *The J. Paul Sticht Center on Aging:* The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A Closing Word **-** Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

WMU Annual Report for 1996

It has been an exciting time to be in WMU this past year. We have been learning new names and new titles for some of our organizations and officers; but most importantly, we have been learning new ways of doing and supporting missions. It has been challenging to truly "**RISK THE JOURNEY**" in becoming more personally involved in winning a lost world to Christ.

A major emphasis in all WMU's has been to become more informed about the AIDS issue, and more involved in Christian Ministry to those who suffer from this terrible disease. Many of the churches showed a film provided from the Baptist Aids Partnership of NC, and had special emphasis in their churches. The speaker for our annual meeting was Reverend Eric Raddatz, of the BAPNC, who certainly challenged each person there; and a special offering was taken to support his ministry. As a result of these emphases we certainly have a better awareness of the heartaches and problems of all who are touched by the AIDS epidemic.

Our girls and our ladies gave abundantly to provide soap and shampoo to inmates of the NC Women's Prison; to provide personal items kits for migrant children; and to send bags of personal and medical items back with children from Belarus. Each time the Associational office was full and overflowing!

Excellent attendance and participation in our training sessions, in our Baptist Women's Day of Prayer, in the Pastor's Appreciation Banquet, in our Annual Prayer Retreat, and in special events for the girls and children, has certainly strengthened our growth, our fellowship, our giving, our praying, our Ministries, and our total involvement.

There is still much to be done. Currently, 33 of our churches have at least one WMU organization, but our goal is that each church would have this vital ministry. The emphasis for 1996-97 is *Child Advocacy* and the Leadership Team is making plans to lead our women to reach out and touch the lives of children in our area because so many children are hurting, with overwhelming needs.

Every Christian is called to be on mission for Christ, and that truly is our goal and desire as members of WMU in the Little River Baptist Association.

World Missions Report 1996

World Missions begins at our front door. As we seek to witness and win the people who are lost in our community, in our city, in our state, The Home Mission Board seeks to extend our witness to the other forty-nine states of the United States. With national offices in the Atlanta area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 mission personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in health care agencies, institutions, businesses, the military and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving in home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong

Offering for Home Missions. In 1995 gifts to the offering totaled $38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Offering goal was $42 million. Final giving figures on this offering will not be available until the end of the 1996 fiscal year.

Other highlights from 1995 include: Home Missionaries in the Lanuage Division worked among 106 ethnic groups and 98 American Indian Tribes, using 106 languages and dialects, in addition to sign language.

Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1995 more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ;

The Home Mission Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish *PrayerGrams*.

As the Foreign Mission Board focuses on fulfilling the Great Commission, barriers to the Last Frontier are breaking down. Doors of opportunity are being opened for missionaries to share an evangelistic witness that would not have been thought of a short time ago. The Foreign Mission Board is leading Southern Baptists to join God in His mission as more than 4,100 missionaries are being supported in more than 130 countries around the world. God is blessing our obedience with an unprecedented harvest, reflected in 287,806 people baptized overseas last year and 2,612 new churches started.

Yet there remains much to be done. More than 2,000 ethnolinguistic groups have yet to hear the gospel. The following is a thumbnail sketch of the blessings of God on the Foreign Mission Board's efforts in 1995:

A record number of newly constituted churches - 2,612.
Record number of total churches overseas - 39,073.
Total number of members among conventions and unions overseas - 4.11million.
Total number of baptisms overseas - 287,806. Member-to-baptism ratio overseas 14-to-1. (Member-to-baptism percentage in the U. S. 40-to-1).

Number of countries served by missionaries - 131. Total number of new missionaries appointed - 544. Total number of missionaries serving overseas - 4,129.

Record amount of Lottie Moon Christmas Offering - $85.9 million. Total dollars appropriated for human needs - $3.85 million.

New churches among the least - reached peoples - 6,548. Number of new cities opened to the gospel - 528. Number of new people groups reached with the gospel - 41. Number of culture groups in the Last Frontier - 2,161.

Number of Southern Baptists in short-term volunteer work - over 15,000. Record number of Bible schools and seminaries - 395. (A 136% increase).

Increase in enrollment in Bible teaching ministries overseas 11%. Increase in enrollment in discipleship programs overseas - 74%. Increase in home missionaries coming from overseas affiliates - 44%. Increase in foreign missionaries from overseas affiliates - 87%.

With the fields ready for harvest in both traditional missionary lands as well as new countries of the Last Frontier, the future for missions shines brightly. People who formerly were thought to be unresponsive have astounded many with their openness to embrace the Light of the World. The Foreign Mission Board finds itself in the most privileged position of sharing the Light from pole to pole.

"Growing In Love For Jesus"

Church History of Hillmon Grove Baptist Church

-Organized in 1952-

In April 1952, the Little River Baptist Association Missionary, Rev. Julius Holloway, made a temporary survey for a mission Sunday School in Western Harnett County in the Johnsonville township area. The results showed there were enough people of Baptist preference to start a mission.

On May 11, 1952 at 3:00 p.m., Sunday School was started in a small two-room tenant house belonging to Mr. S. F. Campbell. Seventeen were present. That night at 7:30 p. m., there were 34 present for worship. It was not long until the Sunday School reached an enrollment of 75, too many for the place where we were meeting. A Committee was appointed to find and secure a lot on which to build a larger building. They went to work immediately.

In November of 1952, Mr. Otha Hillmon Mangum gave a nice large lot upon which a church could be built. Timber was cut from the land sufficient to frame a new building. The community pitched in to help. Under the direction of Mr. Mangum the timber was cut and hauled to the mill, and construction was begun. A sanctuary with a small basement was constructed as a beginning. No labor was hired; the church was built by the people in the community. Shingles for the roof were donated by the Ruritan Club.

In October 1953, the Hillmon Grove Baptist Church, named after Mr. Otha Hillmon Mangum, became affiliated with the Little River Baptist Association.

A two-story educational wing was built in 1954, the church parsonage in 1970 and a new church building with sanctuary and educational space in 1976.

Seven pastors have served Hillmon Grove Baptist Church during its rich forty-five years of history. Currently, the Reverend Chris Wroten is serving as pastor since July of 1992. The church has excelled in growth in recent years in response to its rapidly growing community and outreach efforts. It has "outgrown" its current educational and fellowship hall facilities. On February 23, 1997, a ground breaking service took place for a new two-story educational building that will also house a new fellowship hall. It is expected to be completed by late October.

The church's theme for this year is *Carry the Light - Share Christ's Love.* As we face a new century, we are challenged to carry the light and share Christ's love by: reaching out, providing opportunities to teach and preach God's word, caring through the love of Christ, witnessing faithfully, involving people in the nurture and fellowship of the church, and leading people and families to worship Christ and demonstrate genuine love towards others.

Church History of Lillington Baptist Church
-Organized in 1870-

In 1869, Rev. James G. Markham was called as preacher to a new body of believers at an annual salary of $90. In October of 1870, Lillington Baptist Church became officially organized with nine charter members. Records state that preaching services were held monthly. In 1877, Rev. E. W. Brunt was called as "a good pastor and efficient teacher for a church school."

The church continued to grow under various ministers with the present sanctuary being dedicated in 1914 at a cost of $9,000. The first annex was built during the pastorate of Dr. Charles Howard despite depression hardships. A second annex and parsonage were added during the pastorate of Rev. Sam Hudson. During the early 1950's, the sanctuary was renovated with donations of $55,000.

Growth continued in both membership and construction. In 1958, as a result of outreach emphasis, Lillington Baptist Mission was organized, later instituted as Fellowship Baptist Church. In the 1960's, a new Educational Building and parsonage were completed through offerings exceeding $250,000. The early 1970's saw a staff of six members and another remodeling of the sanctuary. The 1980's brought the birthing of a Church Child Care Program and joining others in the Little River Baptist Association to begin a Mission, Anderson Creek. The church family also took new challenges to be personally involved in Partnership Missions with mission teams being sent both to Pennsylvania and West Virginia.

This commitment to reach out with the Gospel has continued into the current decade of the 1990's under the leadership of Rev. Jeff Roberts and Rev. Mark Morris. They have been in partnership with New York for four (4) years and have hosted eight (8) children from Belarus. At home, membership has been blessed with annual increases of as many as fifty (50) new members within a single year.

Lillington Baptist Church has progressed through the years in expressing the love of the Lord Jesus Christ and serving the community in His holy name. Praise God and thank Him for His grace. ***"To God be the Glory, great things He has done."***

ACTeam Annual Report 1997

Your Associational Consultant Team (ACTeam) has been busy this year receiving additional training to become better consultants, and the team continues to provide Sunday School Clinics as needed.

The Team received training at the State Baptist Building which focused on the new ACTeam emphasis (consulting) and the New Bible Teaching-Reaching handbook was briefed. The instruction centered on program planning, communicating, consulting, developing leaders, growing personally, resource help, and ACTNET. We experienced different associational models. Some of the team also attended the 'Equipping Today's Churches' training at Ridgecrest, NC. As you can see we are seeking to make ourselves better equipped so we can help you improve your ministry.

So far, the ACTeam has conducted six (6) Sunday School Clinics and before the year is finished we will help at least two more churches. Without a doubt, over 200 years of Sunday School has validated that it is the Great Missionary of the future. In fact, with the right people, the right purpose and the right basics, Sunday School can be the church organization that serves as the impetus for directing all church resource ministries. As we are called upon to help, we will continue to help you improve your Sunday School Program.

Baptist Children's Homes

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house. She was angry, and Jason shouted, "Lordy, it's Momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked Grandmother to the floor. She grabbed her by the hair. She "slung me around by the hair of my head," Grandmother says, remembering. Mother shouted for Jason to come out of hiding and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to Grandma's throat, shouting that she would kill her if Jason did not come out of hiding. Just then, Jason's aunt arrived from a house next door and held his mother's arms until the police arrived.

Six years later, Grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors at Tuscola High School in Haywood County, and is starting college in August 1997 as a freshman at The Citadel. At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice-president of his senior class, Cadet Colonel and ROTC commander. He was a member of the National Honor Society and was in the top ten percent of his class; he attended leadership events at Western Carolina University and in Washington, DC, and was a peer helper and peer counselor.

At the Citadel, he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, and then wants to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandmother's home. "All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home where he received top honors for the second year. "Broyhill has made me into a young man with a future , who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for Grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic, but every one tells of a young person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1398 young people found help in troubled times last year.

During the past year, BCH received $1.5 million through the Cooperative Program and $724,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25% of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed. A new video, "Families Under Construction", is available to promote the 1997 Thanksgiving Offering, which has a statewide goal of $750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together. Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus from tutoring to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a mission statement this year, which is "helping hurting children, healing broken families."

Whenever children are hurting and families are stained, BCH strives to heal.

Baptist Retirement Homes of North Carolina, Inc.

The fastest growing age group in the United States are those 85 years of age and above. The second fastest growing group are those 75 and above. This simply says that Baptist Retirement Homes are facing tremendous challenges in meeting the needs of Older Adults, and we are vigorously at work meeting these challenges.

A major activity of this past year has been that of completing plans for the development of the Cliffwood Retirement Community as a partnership between Fayetteville church leaders and Baptist Retirement Homes. A beautiful wooded site has been purchased just off Castle Rising Road in Fayetteville. Approximately 225 residents will be offered a full continuum of care, ranging from Independent and Assisted Living options to Nursing Care. The facility will be locally owned by a non-profit corporation formed by Fayetteville First Baptist and Snyder Memorial Baptist Churches and the new facility will be managed by Baptist Retirement Homes. Construction is soon to begin with the opening scheduled for early 1999.

The ministries at the Brookridge Retirement Community in Winston-Salem, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Hamilton, and the Taylor House in Albemarle are operating at full capacity. The care provided in all of these places is characterized by compassion and quality.

The Solarium Programs in Winston-Salem and Asheville are worthy examples. These programs are especially designed for those who have been diagnosed with dementia-related disorders such as Alzheimer's Disease. Participants enjoy such daily activities as music therapy, gardening, involvement with small children and pets, recreational activity, crafts, and opportunities for worship.

The support Baptist Retirement Homes receives through the Cooperative Program is essential to its ministry. Every Cooperative Program dollar received is used to subsidize the cost of care for North Carolina Baptist Oldest Adults who are not in a position to make full payment for the care they receive. The generosity of North Carolina Baptists enables the "Homes" to offer subsidized care to Older Adults seeking admission to the Prince and Rickman Nursing Care Centers, the Hamilton Baptist Home, and the Taylor House.

The "Homes" staff and residents are especially grateful to North Carolina Baptist churches for making the 1997 North Carolina Offering for Older Adults the strongest ever. These gifts as well as funds that come through the Cooperative Program are designated to provide benevolent care.

Thank you, North Carolina Baptists for the strength of your prayers and your financial support as Baptist Retirement Homes seek to make life for the aging saints of the Convention...**THE BEST OF TIMES!**

Belarussian Children's Ministry 97

This past year was again a glorious witnessing time for those who hosted children from Belarus. I have heard many outstanding words of praise from church members where the children were hosted and interaction was available. This past summer we had one young lady from Belarus to accept the Lord.

We as Christians can only look in amazement at the Lord's work. He allows us to march in faith as we engage this program each year and he tends to all of our needs regardless of what they may be. This year we had one young lady who we found out has numerous medical problems. It would have been so easy for that host family to give up and leave the program, but NO, they were totally committed to help see their youth to have a healthier spirit and physical life. I have been told by this family that they received more than they gave and that the Lord blessed them, even as they went through trials and tribulations.

Along with the Steering Committee, I want to thank each and everyone of you who through *financial, moral , and prayer support* helped this past program be such a success. We, the committee, would like to express a word of gratitude and appreciation for our *Director of Missions*, **Dan Deaton**, who became so involved with the children and was constantly in prayer for our many needs.

Again, *thank you!*

Biblical Recorder

These are “watershed years” for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major “transition” as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than at any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an “information glut.”

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better service the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Brotherhood Report

This has been a year of re-grouping as we sought a new Director for our Baptist Men. ***Earl Gray***, from Angier Baptist has accepted this challenge. A good start for better missions work has already been made. Fifty-five (55) men recently attended the most significant meeting of the year. ***Richard Brunson,*** *Director of NC Baptist Men* presented the program. An overview of mens work along with current publications was provided. This "how to" program was well received.

We are indeed fortunate to have a capable and dedicated Disaster Recovery Team lead by ***Marion Hobbs***. In addition to several trips to follow up on Hurricane Fran, these men worked locally to help install a baptistry in one of our churches. Interest and support for this ministry is very strong. "Thank You" is in order for all who have helped.

Where are we going in 1998? More men on missions for our Lord Jesus is our goal. We need to model servanthood. Fresh and anew let us hear the words of Jesus, "Follow Me!" Several other activities come to mind as we look to 1998 and other activities will be added as your Baptist Men Directors participant in our associational meetings.

First, we want to participate in the region meetings which will be held every three (3) months. One such meeting is the Baptist Men's Rally to be held on November 4, 1997, 6:30pm, at Trinity Baptist Church in Raleigh.

Second, the association is not here to replace local church programs, but to provide opportunities for Baptist Men to broaden and strengthen your local programs. Perhaps we can get more activity involved with our support for such projects as: The Belarussian Children Ministry (more Baptist Men involved and support with our dollars). The South Africa Partnership, Youth Projects, develop some local mission projects. (WE could help new churches build their churches. These projects could become mission projects for our youth. This could put Baptist Men working side by side with our youth.)

Christian Life and Public Affairs
Annual Report 1997

Jesus came not only to save us from our sins and bring us into the family of God, but He commanded us to be the Salt of the earth and the Light of the world. When He said, "Let your light so shine before me," He was telling us that our public life should be a testimony to our Christian faith. Baptists in our state have a Council on Christian Life and Public Affairs to focus our witness in our state, and our personal part is to live as good examples of the Christian faith in our citizenship and public life.

Every year we face the need to work not only for the good of the public, but also against the enemies of worthy life. We work with other denominations on moral and social issues, such as the sanctity of human life, efforts to keep our state out of the gambling business, and the notorious pornography business. Every time the State Legislature meets, we have to be alert and to unite in facing the foes of moral and social righteousness.

We work with the Christian Action League of North Carolina, which is an interdenominational group that helps to keep us alert to the moral and social scene in our state. This enables us to benefit by its watchful eye on the workings of the Legislature and to focus our influence when evil proposals seek to become legitimate through state laws.

One of the things that has been done is to strengthen the DWI laws. We must stand up for the rights of people to be safe from drunken drivers on our streets and highways. When great moral issues face us, we have many allies to help us to be "Salt" and "Light" in our society.

Cooperative Programs/Stewardship Report

1996 ~ 1997

For the past 12 months the Little River Baptist Association has received $95,163.48 in undesignated gifts from the churches that make up the Little River Baptist Association. In addition, these churches have given $41,163.48 to designated funds within the Association. In the same period twenty-four (24) churches have reported giving to the Cooperative Program $231,052.46. This is a good report. The Cooperative Program continues to be the life line for most Baptist work throughout the state and the world supporting World Missions, Home Missions, convention programs, and state programs. The Baptist State Convention has received cooperative funds totaling $21,432,862.94 from January 4, 1997 - September 19, 1997. This is an 8.6% increase over the same time last year. In addition, churches in North Carolina have given $6,977,675.24 to Foreign Missions, $4,506,901.92 to Home Missions, and $518,854.82 to The North Carolina Missions Offering. Also churches in North Carolina have given $565,410.81 to the Cooperative Baptist Fellowship through the Convention.

The challenge is great in our Association for expanded ministries and for new work. Whether we meet this challenge will depend upon the stewardship of our people and our churches. Let us move forward and be good stewards of the Word and of our possessions.

Disaster Recovery Annual Report 1997

The Disaster Recovery Team has continued to grow throughout the year. The number of members has increased to forty-four (44). Members of the team came together in November '96 for associational training and cookout. The training consisted of proper handling of a chain saw conducted by Greg Black and first aid training by one of our members, Frank Shue.

We had several members to go to Camp Caswell in December of 96, to repair buildings that were damaged by Hurricane Fran. Also, in December the DRT was called in to clean up Fran damage in the Fuquay-Varina area. One of the team members along with his church handled the task.

In early spring we had members to install a baptistry in Anderson Creek Baptist Church. In April, a few members went to Camp Caswell for the annual Disaster Relief/Recovery training. Some of the wives attended and became certified as Disaster Relief members for the feeding units.

At the annual Agricultural Field Day at Buies Creek, the Disaster Recovery Trailer was on display so the public could see how we are equipped to help those in need. To help meet physical and spiritual needs of hurting people is what this ministry is all about.

Discipleship Training Report

Jesus commissioned His church to make disciples. Disciplemaking begins with evangelism and continues through the rest of a Christian's life. Spiritual growth is growing in a personal relationship with Jesus. Jesus is Lord of all of life. Therefore, a Christian's personal relationship with Jesus involves every aspect of life.

Maturing Christians will reach out with the gospel to unsaved people. That is the natural result of Jesus' active presence in a Christian. The need for our churches to improve their disciple-making is shown by the fact that while the population of Harnett County increased by more than 16,000 from 1990 to 1996, the total membership of all LRBA churches increased by less than 400 during the same time.

We, the Associational Discipleship Supporters, are not interested in simply promoting a program. We are very interested in assisting churches in the process of making disciples. Twenty-four (24) out of forty-one (41) churches reported any kind of discipleship study in the past year. Total on-going discipleship enrollment was 1066. Total short-term discipleship enrollment was 645. Eleven (11) churches listed a Discipleship Training Director.

This past year, we held two seminars focusing on new Christian/new member discipling. David Cox, pastor of Richland Creek Community Church in Wake Forest, led the seminars. On May 20, 1997, only 12 attended. Rev. Cox did such a good job that we decided to repeat the seminar. On August 18, 51 attended.

Call on us; we will be glad to talk with you about disciple-making.

LIFE Support Network

The LIFE Support Network continues to offer "Making Peace With Your Past" support groups, which help people with a wide spectrum of personal issues. This is our foundational type of group. Other groups dealing with specific types of issues will also be offered. Brochures have been sent to every church. We plan to begin our next "Making Peace" group in January, 1998.

A Chemical Dependency group is meeting weekly. This group uses a Christ-centered 12-step process with a workbook. For brochures and information on meeting places and times, please call the LRBA office or me at (919) 258-3103.

Evangelism Report

It has been my privilege to serve as your Evangelism Chairman this year. It has been a challenging year in which we have sought to emphasize witness training and provide special evangelistic events. In February, our Director of Missions and I led a training session in evangelistic techniques. Rev. Deaton taught a course in "Total Church Life" while I taught a course called "People Sharing Jesus". We had a good number of laypeople from our churches attending the study. In addition, we have placed modules of both of the courses in the associational library for use by our churches.

In June, we attempted our first associational youth rally held at Campbell University. Witness, from our State Convention, was the featured group, along with Rev. Steve Gordon from Friendship Baptist Church. The weather was extremely hot, but for those who attended, the event was a wonderful experience. I hope we will be able to have another event similar to this next summer.

I had hoped to have an associational revival this fall, but sufficient plans could not be made in time. I hope that this is something we will be able to do in the near future.

Thank you for letting me serve you this year. I am looking forward to 1998, trusting that it will be a very good year in reaching many people in the Little River Baptist Association area for Christ.

IN MEMORIAM

The Bible is a book of comfort. It brings within its words many promises of comfort both for the living and the dead. We read in First Thessalonians, Chapter 4, verses 13 and 14, "*But I would not have you to be ignorant, brethen, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.*"

In these words we find not only the strength to face the future without our loved ones, but the security we all seek as we daily serve a risen Savior. These verses tell us that only those who are ignorant of God's Word and that who live their lives without His love need to fear death. It tells us that we will rise again if we trust in Him and His saving power.

And in verses 14 and 15, it becomes clearer. Listen to the words of God. "*For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:*"

We can then look forward to the day when the trumpet shall sound and we meet again with our loved ones in the air to be together forevermore. We don't know the time, but we know the method. Jesus will merely speak and it'll happen. Let us look forward together to that day as we look back over the past year and reflect on those who have preceded us in the crossing over from limited life here on earth to unlimited life in the hereafter.

Servant of God, well done!
Rest from thy loved employ:
The battle fought, the victory won,
Enter thy Master's joy.
The pains of death are past'
Labor and sorrow cease,
And life's long warfare closed at last,
Thy soul is found in peace.

The Lord has and is continuing to bless our Spanish Mission and throughout the Little River Baptist Association. Our driving forces and much of our accomplishments were made possible through our volunteer staff.

We have continued with our ESL (English as the second language). Our children's ministry is continuing to grow stronger every year. We are averaging around 10 children on Sunday nights. The Puppet Ministry of the Coats Baptist Church come and share the gospel with our children.

We are continuing our clothing closet and helping those that are new in our community. We have joined forces with the Johnston Baptist Association, under the leadership of *Clifton Woodruff*, with his vision for feeding the hungry children and families in our communities. Because of Mr. Woodruff, we were able to expand our food closet ministry this year. Now it is bigger than ever! We have fed hundreds of hungry children and families. Thanks goes to the Woodruff's and Winn Dixie for making it all possible. But all the thanks goes to our Lord and Savior, Jesus Christ.

This year for the first time we held a Sports Banquet after our Fiesta. We honored those who excelled in different areas of athletics. Trophies and medallions were handed out to all the winners.

I personally felt compelled to recognize our volunteer staff, by honoring them, with a plaque to show our appreciation for their hard work and service in building God's kingdom here on earth.

I also recognized our sponsoring church, *Coats Baptist Church*, and our association with a plaque for their support, hard work, and service.

This year we have felt the Holy Spirit, more and more then ever in our mist. We had 9 professions of faith, this makes 16 so far in the last 3 years. The Lord is not only blessing our adults but also our children. God bless the little children.

I would like to take this time to tell you that the Hispanic Council and the Executive Committee meetings during this year have been wonderful and I have learned a lot. We owe those councils, the board members, and our volunteer staff a debt of gratitude, I applaud each and everyone of you. I thank you from the bottom of my heart.

I can not close this report without saying Cathy and I love you Baptists. Serving as your Spanish Pastor has been exciting and challenging. I will continue to have a heart filled with love and appreciation for the people in the Little River Baptist Association.

I look forward for to the upcoming year to work harder, closer with our Director of Missions, our mother church, and all the churches in our association. *God Bless you all and Vaya Con Dios*

Moderator and Executive Committee Report

What is the Little River Baptist Association? It is what the individual churches in the association have made it.

What will the Little River Baptist Association be in the future? The answer to that question will be determined as we prayerfully consider, "What is God's mission for us together?"

In all things we give praise to the Lord! Much has been accomplished in the Little River Baptist Association this past year for which we can rejoice. Our local churches and our associational committees have all been heavily involved in responding to the many challenging opportunities for service that the Lord has provided. In every area of Harnett County we see and hear of the good works being done by Southern Baptist Christians sharing, praying, giving, caring, loving; God's people working; God's people ministering in Christ's name. Things are being done, plans are being made that will strengthen our churches, that will cause our churches to grow, and that will make our churches more effective centers of ministry.

At the associational level, we have been blessed with people who have served faithfully and effectively. Many projects have been completed, many are in progress, and still others are being planned. The tremendous talents and resources of the fine people in our association are truly being mobilized for the Lord's work.

Our association has benefited greatly from the first full year of service by our Director of Missions, Dan Deaton. Dan's energy, enthusiasm, broad experience and exceptional knowledge has been especially helpful in moving us forward. Dan is a man of great vision and has a deep love for the Lord. He will do an outstanding job leading us into the twenty-first century.

As Moderator, I want to express my deep-felt appreciation to the pastors for what they are doing in their local churches and on the associational level. I want to thank the local church members for what they are doing in their churches and communities; and finally, I want to thank those who have worked so unselfishly at the associational level providing faithful service and effective leadership.
I look forward to serving with each of you during the coming year.

Little River Baptist Association
Growth Endowment For Missions
Annual Report 97

The Endowment program for missions in the Little River Baptist Association is on track and making progress.

After much hard work, your committee has finalized the legal requirements of a Resolution establishing an Endowment for Missions so that we can all march to the same drummer.

During the mean time, Mr. Bill Overby from the North Carolina Baptist Foundation has visited with a number of churches and a number of people, showing us how we can contribute to a mission cause and get some tax savings at the same time.

LRBA is indebted to the Baptist Foundation for providing us with Mr. Overby on a part-time basis, and we are certainly grateful to them for providing us with computer service and well-trained staff to deal with the knotty problems of estate planning and saving taxes.

Some moneys have already come into the Mission Endowment Fund, and it is expected to grow as all of our churches and people learn of the tax savings that come with good planning.

Mr. Overby will give us a more complete report at the 1997 Associational meeting.

The North Carolina Baptist Hospitals, INC.

HOSPITAL HIGHLIGHTS

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Inc. has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

Baptist Benevolent Care Fund

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

Division of Pastoral Care

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic-growth approach to the individual minister's life calling.

Points of Emphasis and Progress

J. PAUL STICHT CENTER - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-art building. Here services are provided to older adults. These services included a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

COMPREHAB - On November 4, 1996, the doors were opened to the Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

TRAUMA CENTER - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February issue of *Applied Clinical Trials,* Bowman Gray School of Medicine ranked in the top 10 U. S. clinical research institutions.

QUALCHOICE - Established by The North Carolina Baptist Hospitals, Incorporated, The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staff.

WEB SITE - You can learn more about The North Carolina Baptist Hospitals, Incorporated by checking us out on our Web site at: http://www.bgsm.edu. Here you can find helpful information about nutrition, research, and the division of Pastoral Care.

HEALTH ON-CALL - Need a physician or answers to questions about health topics? Dial (800) 446-2255. A registered nurse will take your call and help you select the right physician, answer your questions, provide information or mail printed material to you.

WMU Annual Report for 1997

HAND in HAND we have been learning, growing and doing missions together this year in Little River WMU. Our girls, children, and women have been involved and are still involved in learning about, doing and supporting missions. And it is exciting!

It was exciting during the year to see and hear from the various church groups about some of their mission projects. We had visual displays of these and also a time of sharing at our annual meeting. The emphasis for the year was on Child Advocacy, and many of our women worked with the schools in helping children, as well as other related ministries.

Some of the other special events have included:

> **Baptist Women's Day of Prayer:** Two observances sponsored by the Association were held in different locations. A total of 115 attended, and an offering of $305.00 was given for the support of Women's Work through the Baptist World Alliance.
>
> **Prayer Retreat:** One of the highlights each year is our prayer retreat, which was held at Caswell this year, with 115 present, and former missionary Marj Bennett leading.
>
> **Pastor's Appreciation Banquet:** We had a lot of fun and fellowship in February, as we once again showed our pastors how much we love and appreciate them. There were 113 present that night.
>
> **Personal Items Kits:** Our mission groups provided hundreds of health kits for the migrant children, medical kits for the Belarussian children, shampoo and deodorant for the Women's Prison, and bag lunches for Special Olympics.

In addition, our mission leaders received training for their various ministries and shared this with others. Many wonderful things have been happening in our midst; but, as we look around, we know that there is much to be done. The fields truly are white unto harvest–in Harnett County, as well as throughout the world. We challenge every child, girl, and woman in our association to rise up and accept the call to be ON MISSION.

World Missions Report

As boundaries collapse between nations and dividing lines that have kept people groups apart for centuries begin to blur, Southern Baptists have had to view the world in a whole new light. Distinct ethnic-linguistic groups quickly come into focus. The International Mission Board, formerly the Foreign Mission Board, has identified more than 6,000 of these groups and are trying to bring the gospel to them as fast as personnel and resources are available.

The harvest truly is plentiful but the laborers are few. It is harvest time around the world. Martha and Bruce Schmidt labor among the Karamojong, an unreached group of cattle herders living in Northeast Uganda. The work is difficult and dangerous, but they are planting seed which already is producing fruit. Each week they minister to people from 25 to 30 countries around the world.

Southern Baptists responded to calls from war-torn Bosnia. $240,000 was sent toward ministry evangelism. 10,000 people were fed. Missionaries are now teaching 13 Bible studies in four cities.

The International Prayer Strategy Office monitors prayer needs of our missionaries. A record number of phone calls came to CompassioNet--more than 1.3 times those which came in last year. Volunteers are a rare breed among Southern Baptists, who not only pray but go. Last year 15,847 co-labored with international missionaries.

Human needs were also met as Southern Baptists gave more than $3.7 million for world hunger and relief in 58 countries. Without the cooperative flow of Southern Baptist generosity, ministry in so many lands would dry up and blow away. Cooperative Program receipts of $74.7 million for international missions reflected an annual increase of more than $2.3 million. For the third consecutive year, baptisms overseas have exceeded a quarter of a million (283,674). Membership stands at 4,100,923 in 39,876 churches.

In 1996, 590 Southern Baptists answered God's call to missions, bringing the total to 4,167 missionaries working in 127 countries and among 336 ethnic groups.

Southern Baptist ministries are among international people who are "foreign" only in the sense they are alienated from God. We are there in the fields where God is already working.

This year has brought change to what we have familiarly called the Home Mission Board. Responding to a changing, more diverse and a more widespread mission field, the name has been changed to The North American Mission Board. According to President Everet Kelly, "The Board will be a more focused and effective missions agency. The consolidation of some administrative functions and the elimination of others will mean more resources for the mission field." The primary mission of the North American Mission Board will be to evangelize and congregationalize our nation.

The primary responsibility of the North American Mission Board is to reach the United States, Canada, Guam, and American Samoa for Jesus Christ, using every appropriate means of evangelism and church planting. The resources of three former Southern Baptist Convention agencies--The Home Mission Board, the Brotherhood Commission, and the Radio and Television Commission--were merged to create a dynamic synergy that will propel missions into the 21st century.

"Embracing The World For Jesus"

Brief History of Holly Springs Baptist Church

The Holly Springs Baptist Church was organized in 1874 under the supervision of Rev. Orin Churchill. Other people assisting Rev. Churchill were A. N. Campbell and H. D. Judd. The charter members of the group were: W. D. and Mary A. Patterson, J. W. and Mary E. Thomas, T. J. Hunt, A. J. Hunt, R. J. and Mary Patterson, A. J. Patterson, John R. and Mary M. Wilson. Many of the organizers came from the Antioch Baptist Church.

In April 1874, the letters transferring their membership were received, and Holly Springs Baptist Church was founded. The first meeting place was a log house approximately 16 feet by 20 feet. In this setting this small band of Christians met and worshiped under the leadership of Rev. Churchill. At first the church had only one deacon, Mr. R. J. Patterson. Later, deacons Malcolm Thomas and John W. Patterson were received.

In October 1874, delegates were sent to the Raleigh Association and were received. The following year the Little River Baptist Association was formed, and the church joined this group.

In 1876, the decision was made to build a larger house of worship. Unable to obtain a deed for the present site, they obtained a parcel of land near the Lillington-Jonesboro Road. This land was donated by Malcolm Thomas. On this site the church erected a frame structure which served the needs of the church family until 1952.

In 1952, the membership took occupancy of the modern brick edifice which is still being used. The church property further encompasses an educational building, fellowship hall, and parsonage.

The church has a current total enrollment of 628 with 88 on a non-resident list. The Sunday School has an average attendance of 230.

Holly Springs Baptist Church in Broadway NC is a member of the Southern Baptist Convention, North Carolina Baptist State Convention, and the Little River Baptist Association. The present Pastor is Rev. Jerry Parsons.

Brief History of Coats Baptist Church

The Coats Baptist Church was organized on July 23, 1910. Many of its charter members had been worshiping at a small church named Piney Forest, a few miles from town. As this was inconvenient, Dr. J. A. Campbell, as well as many consecrated citizens of the village, felt that Coats should have its own house of worship.

After much prayer, planning, and effort, the first building was started in April of 1910. In July of that same year the structure, though far from completion, was used for a glorious revival service. At the close of this meeting, on July 23, 1910, Coats Baptist Church was officially organized by Dr. J. A. Campbell, Reverend F. D. King, and Dr. W. R. Cullom. The church had forty-eight charter members; twenty-seven of these came with letters, and twenty-one came by baptism.

In May of 1950, definite steps were taken toward starting a new house of worship on the corner of McKinley and Stewart Streets. On June 25, 1953, the opening service was held in the completed church building with a record attendance.

On June 21, 1964, the church dedicated a children's building, thus expanding its educational space to current capacity. On August 15, 1993 at a special called meeting the church voted to relocate. Plans to start the new building are set for November, 1998.

Ten pastors have served Coats Baptist since it was organized in 1910. Currently, the Reverend Jesse Mooney, Jr. is serving as pastor. Reverend Mooney came to Coats Baptist in September of 1991. The church has reached out to the community which has experienced tremendous growth over the last decade. The task before Coats Baptist is challenging, and because of the far-reaching opportunities they face, they feel their responsibilities of kingdom service are just as great as when the Master said to his disciples, "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and Samaria, and unto the uttermost parts of the earth." The members accept the challenge as they plan to build for the future.

Miscellaneous Business: Rev. Steve Gordon of Friendship proposed creation of a new body consisting of inactive deacons in the Association: "Recognizing that much of the work of the Little River Baptist Association is accomplished through the efforts of volunteers from among its member churches, Friendship Baptist Church proposes the creation of a new body consisting of inactive deacons to serve the Association for one year terms.

If endorsed by all LRBA churches, this would provide more than 40 persons, who having already been set aside for their spiritual commitment and leadership gifts, would be available to assist the Director of Missions as needed in the work of the Association. Each church within our Association would be encouraged to either elect or designated their representative for the 1999 church year. They will be called, organized, and directed by the Director of Missions who will present a progress report to the Association at its next annual meeting as basis for determining the viability and continuation of this effort.

Recommendation was seconded, voted and carried.

Missions report was presented by Alice Davis.

The Association commissioned those leaving for South Africa, as part of our South African Partnership.

ACTeam Annual Report 1998

The Little River Baptist Association was one of six associations selected by the Sunday School Board to pilot a project to create new Sunday School classes. Therefore, the Association's Consultant Team (ACTeam) has devoted most of the year working with the Sunday School Division of North Carolina to outline a strategy to support this effort. To develop this strategy, the ACTeam started meeting with Max Caldwell (State Sunday School Consultant) in May 1998 and sponsored a Sunday School banquet at Crossroads Church on September 15, 1998. Eleven churches in the Little River Baptist Association attended this banquet and expressed interest in beginning new Sunday School work to reach new groups of people.(e.g. single parents, young married etc.)

The ACTeam is currently working with interested churches and has tentatively planned to bring in State Consultants in January 1999 to help other churches that may be interested in one or two days of concentrated help in church identified areas. The key to making this later effort a success will be the churches providing an assessment that identifies their needs that consultants can focus on to facilitate detailed assistance. Helping churches develop new on and off campus Sunday School work/units will be the ACTeam focus for the year.

Baptist Children's Homes of NC

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatly told her she was worthless.

"I've had a rough life," she says. "I've been through about anything I can possibly go through." Christy admits carrying a short fuse, and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16 - Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see the age of 16. "I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke." Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A's" and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basketball tournament and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for. Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic, but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year. During the past year BCH received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million comprised 18 percent of the nearly $18 million of revenue. Because of a positive investment environment, BCH investments in endowment funds provided 33 percent of revenue.

Building Dedicated - Two major priorities of the $10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke on January 20, and the John D. And Amelia W. Johnson Cottage at Mills Home on May 12.

U. S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people, and passion" to successfully help children and families turn their lives around." "When we reach out to our children, we're making the best investment for tomorrow we could ever make for our country," he said.

Winfred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997. Primary funds for building Johnson Cottage were given by

Phil and Sharon Drake of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee. "God has given me more than I deserve," Drake said in a brief, emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage workers task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998. The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering which has a statewide goal of $800,000, the largest ever. Whenever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 476-3669.

Baptist Men Annual Report

Baptist Men's Ministries exist for the purpose of involving and educating men and boys in missions for their spiritual growth. The Little River Baptist Association's roll in this is to provide ideas, encouragement, opportunities, and education in personal and spiritual growth.

Some of these activities that we promoted in the Association this past year were:

- ☞ In January we promoted '*Baptist Men Day*' in our local churches and encouraged attendance to our NC Baptist Men Convention.
- ☞ Some of our churches went on a mission trip to Fort Caswell to help make repairs needed to correct damage that occurred during Hurricane Fran.
- ☞ Repair work was done at the AG Demonstration Farm, chicken house that was destroyed by Hurricane Fran. We also participated in the Field Day that was held on the farm in Buies Creek.
- ☞ Promoted *World Hunger Week* and collected twelve

(12) sixty-pound (60 lb.) food boxes (720 lbs.) for North Korea and carried them to the NC Baptist Building for shipment.

- ☞ Promoted and got some of our people to attend the Region 4 Meetings. For the purpose of motivating educating, dispersing new ideas, establishing links of communications and Christian fellowship.
- ☞ Promoted the *National Day of Prayer* the first Thursday in May. We had prayer vigils in churches during the day and community gatherings on places such as the town square.
- ☞ Provided hot dogs and hamburgers with trimmings for our Belarussian Children and their host families at a pool party at Campbell University's pool.
- ☞ We held a Baptist Men Training session for local church Baptist Men leadership.
- ☞ We have been visiting local Baptist Men meetings in order to get to know our Baptist Men groups and to encourage them in their mission work. We want to continue to make our association leaders available to help your local groups.
- ☞ Twenty-four (24) of our forty-three (43) churches and missions reported active men groups.
- ☞ We did not attempt to give numbers of participants, but would like to develop some plan to get your feedback to the association next year as to the number of churches as well as the number of member involvement.

I would hope that the local church director or pastor would advise the association of the results of their mission involvements. This will help us evaluate our efforts.

Baptist Retirement Homes of NC, Inc.

Today there are over thirty million people aged sixty-five and above in the United States, representing almost twelve percent of our population. Every fifteen seconds another person reaches age sixty-five. Researchers predict that in 2020, one of every five Americans will be an active retiree.

This is good news and bad news in relation to our aging population.

The good news is that more and more of our people are experiencing added years of productive and pleasurable living. The bad news is that an ever increasing number of older people are faced with extended months and even years of debilitating ill health. Even as the old are becoming older, the aging sick tend to be sicker.

An added concern is the ever-increasing number of Older Adults, including many of our retired ministers, who are struggling under financial hardships. Many thought they had planned well for the retirement years, but the financial requirements of the 1990's were almost unimaginable in the 1950's. Furthermore, the expectation was that there would be some ten years of life in retirement rather than the twenty-plus years that are coming to be the norm.

Through the ministers of the Brookridge Retirement Community in Winston-Salem, The Hamilton Baptist Home in Hamilton, The Taylor House in Albermarle, and the Western North Carolina Baptist Home in Asheville, Baptist Retirement Homes continues to operate at the forefront in meeting the needs of Older Adults.

This year, we look froward to the start of construction on a major new facility. The Taylor Glen Retirement Community in Concord, serving the Cabarrus/Mecklenburg/Stanly County areas. Included in the plans are 174 independent-living apartment homes, 24 assisted- living apartments, 24 nursing care beds and a 12-bed memory impaired unit.

Baptist Retirement Homes continues to be grateful for the exceptional quality of benevolent care it is able to provide. There are no entrance fees associated with any of the health-related facilities operated by Baptist Retirement Homes. The Hamilton Baptist Home and The Taylor House are among the few not-for-profit, church-related long-term care facilities in North Carolina with no financial requirements for admission.

Baptist Churches and Baptist people make all of this possible through contributions received through the Baptist State Convention (Cooperative

Program) and the North Carolina Offering for Older Adults. In 1998, North Carolina Baptists made it possible for the "Homes" to provide $1.7 million in benevolent care. Thank you, North Carolina Baptists, for helping us make life for aging saints ...**THE BEST OF TIMES!**

Belarussian Children Ministry 1998

The summer of '98 marked the fourth time our Association has hosted children from Belarus. It is no longer a new ministry, but it is certainly a vital one. Due to an excellent committee, composed of Bill and Jean Tomlinson, Joe Sakas, Christine Avery, Donald Dawson, Charles Price, Earl Gray, Jim Vaughn, and Jim and Teresa Roberts, the ministry was planned and administered very effectively. The children received excellent medical care from this area. We cannot thank enough all the doctors, nurses, Betsy Johnson Hospital and other professionals who gave so much to this effort. Giving, in Jesus' name and spirit, is what this is all about. Each host family gave unselfishly of their time and resources to model Christian love. Many churches gave the financial support that enabled us to do this mission ministry again.

There is no doubt that God has blessed us and the children we were privileged to have. The political climate in Belarus is in a flux, the program is no longer a novelty, support will be harder to obtain in '99. As we say a heartfelt "thank you", we ask for your prayers as we prepare for another year of ministry.

'Jesus took a little child and had him stand among them. Taking him in his arms, he said to them, "Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me." [Mark 9:36-37]

The Biblical Recorder

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress. He is correct! Thomas Jefferson said that the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty and its corporate corollary the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The **Biblical Recorder** tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The **Biblical Recorder** was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina , never was the **Recorder** more needed than now for people to have the truth.

Because people are reading less than at any other time in recent history at the very time there is an increased number of publications and periodicals, the **Recorder** has kept pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site.

The Web site is: **hhtp://www.biblicalrecorder.org**

The **Recorder** Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from the around the world, literally from Asia, Africa, Europe, South America, the Pacific Rim, and even Australia! In the United States, people from several states regularly use the **Recorder** as their source of dependable Baptist information.

The **Biblical Recorder** should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder saving staff time, postage and printing costs. CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League of North Carolina
Annual Report 1998

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word , the cornerstone of all truth.

Christian Values:

† It was the pleasure of the Christian Action League to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

† Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

† Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

Gambling:

† Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

Sex Education:

† Worked with other Christian and pro-family groups to see that the state

mandate for Abstinence Until Marriage education is implemented statewide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

Abortion:

† CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right To Know Before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

Alcohol:

† CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, ect. CAL will host a national conference in September of the American Council on Alcohol Problems.

Pornography:

† Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

Homosexuality:

† CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully, lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

For A Better North Carolina!

Cooperative Programs/Stewardship Report

1997-1998

For the past twelve (12) months the Little River Baptist Association has received $4,608,995.00 in non-designated gifts from the churches that make up the Little River Baptist Association. In addition these churches have given $1,768,944 to designated funds within the Association. In the same period 40 churches have reported giving to the Cooperative Program$357,258.00. This is a good report. The Cooperative Program consists of three giving plans; Plan A, Plan B, and Plan C.

The Cooperative Program continues to be the life-line for most Baptist work throughout the State and the World, supporting Missions, Convention, and State Programs. The Baptist State Convention has received Cooperative Funds totaling $22,409,026.19 from January 3, 1998 through September 18, 1998. This is a 4.5% increase over the same time last year. In addition, churches in North Carolina have given $7,477,278.69 to Foreign Missions, $4,654,908.36 to Home Missions, and $600,061.00 to the North Carolina Missions Offering (15.65% increase). Council on Christian Higher Education

Baptist State Convention of North Carolina
1998

Chowan College	1848
Campbell University	1887
Gardner-Webb University	1905
Mars Hill College	1856
Meredith College	1891
Wake Forest University	1834
Wingate University	1896

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, chaired the Committee on Nominations, and chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millennium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

Disaster Recovery Report 1998

The Disaster Recovery Team has been busy again this year. While we are eager to serve and help those in need, we are thankful that devastation like Hurricane Fran brought two years ago did not happen in NC this year.

The team responded to a call to go to Mayodan and Stoneville, North Carolina after tornadoes ravaged the area. The dedication of our team members is tremendous! I received a call from the regional director at 10:00pm on Saturday, March 21st. A short hour later, I had six members who said they would be ready to go out at 6:00am Sunday morning, some of whom had to get replacements for their roles as Sunday School teachers.

The number of Disaster Recovery Team members has increased slightly, and of those members, 30 have become certified through state and regional training exercises.

Some of the Team Members led a chain saw safety course for the Raleigh Associational Training this year and attended the Regional 4 Training this September. Also, members assisted in the construction of a Spanish Mission in Siler City.

We respond because we believe that the GOSPEL calls us into ACTION! Won't you join us this year?

Discipleship Training

The **LIFE Support Network** this year has sponsored several support groups. Last fall, we had a *Moving Beyond Your Past* group made up of people who had already worked through *Making Peace With Your Past.* Another *Making Peace* group began in February and concluded in August. In October, we are beginning two new *Making Peace* groups, one for Hillmon Grove Baptist Church and one for Second Baptist Church of Dunn. We hope to begin another group in January or February.

Making Peace With Your Past and *Moving Beyond Your Past* help people to grow in their ability to receive and give love in their present relationships in healthy ways. These relationships include those with family, friends, and God. People are helped to deal spiritually and emotionally with personal issues which make enjoying supportive, love relationships difficult for them. For more information, call David Oyster at (919) 258-3103.

The **Associational Bible Drill** in March had thirty-eight children and nine youth representing eight churches participate. All did well, and most went on to the State Bible Drill. We had one youth go on to the second level State Bible Drill. We are sorry to see Billy Wicker resign as Associational Bible Drill Director. He and his wife Shirley have done an outstanding job for several years. This coming year, we are looking forward to the capable leadership of Ruby Babb and Georgia Lee Brown for the Children's Bible Drill, and of Kathy Crenshaw for the Youth Bible Drill and Youth Speakers' Tournament. We would like to encourage more churches to participate in the Bible Drills and Speakers' Tournament. The children and youth receive much valuable training which they will use for the rest of their lives.

In September, we tried to hold a workshop on **"Restoring the Blessing"**. This workshop would have taught how parents could use the Old Testament model of the father's blessing and that of Jesus' blessing children as one way to help their children develop a healthy sense of self-worth based ultimately on the love, forgiveness and acceptance of God in Jesus Christ as communicated through the love and acceptance of the parents. We are very disappointed that this workshop had to be canceled due to lack of registrations.

The Great Commission is for us to **make disciples**. The process of making disciples begins with evangelism and continues throughout the Christian's life. Is your church making disciples who are growing in love, experiencing a daily walk with Jesus, experiencing His grace in every aspect of life, witnessing in the power of the Holy Spirit, and ministering to peoples' needs according to God's call and giftedness? If we want different results, we have to do something different. If you would like to discuss how your church may improve its disciplemaking, give us a call.

Evangelism Report

It has been my privilege to serve this year with Don Needham and Rev. Russell Blackmon on your Evangelism Committee. It was a good year in terms of our attempt to reach the youth of our area. On Saturday evening, July 17, our association sponsored our second annual youth rally on the campus of Campbell University. With the help and support of several of our youth ministers and associational staff, we were able to publicize the event well. The musical evangelism team "Witness" from the Baptist State Convention of North Carolina was our featured program again this year. The Little River Baptist Association Baptist Men and Baptist Women were able to get Coca Cola to provide free drinks for the approximately 150 who attended the concert. Everyone there seemed to enjoy the music and the testimonies. Although no professions of faith were registered, a few came forward in rededication. Of course, we have no way of knowing how many other decisions might have been made at a latter time.

One of the reasons we invited Witness to be with us again this year, beside the fact they do an excellent job in sharing the gospel, is that many of our smaller churches may not have the opportunity outside of Super Summer at Carowinds, to have their youth hear this wonderful group of Christian college students. In addition, it provides both an opportunity to invite unchurched youth to a Christian concert and for our church youth to have a time and place to fellowship together.

Next year, we hope to sponsor another summer youth rally. In addition, we want to encourage our churches to join with Campbell University in sponsoring an evangelistic crusade led by Dr. Billy Kim, an international evangelist from South Korea. Dr. Kim had the opportunity to interpret the messages of Dr. Billy Graham during his last crusade in Seoul.

Thank you for your support and your prayers this year and for the new associational year as we go forward together for Christ.

LRBA Growth Endowment For Missions

Annual Report 1998

Our Endowment for Missions has grown to $6,277.58 and is off the ground and growing. Some churches are already putting the Endowment for Missions in their annual budget, and others are considering it. When we get to point that 100% of our churches are participating, we will grow much faster and will not take too much from each church to give significant funds for mission projects. Then the day will come when our Association will be one of the strongest in the state BECAUSE we will be able to do the most for missions. Remember that our fund will double about every 20 years because of the way it is invested.

Some our people are beginning to put missions in their wills and trust funds. One of these funds, the Charitable Remainder Trust, allows mama and papa to receive 7% of the value of the fund per year from a gift of non-income producing property, let the children receive 7% for 20 more years, and then let the fund help support missions for ever and ever. This can produce a tax saving now and a way to add to the Lord's work as time moves on. Those who are using it like it.

Call one of your Endowment trustees or Bill Overby at the NC Baptist Foundation (800) 521-7334 or Dr. Bruce Blackmon (910) 893-3543.

A Memorial Meditation

John 11:25-26 I am the resurrection and the life; he who believes in Me shall live even if He dies , and everyone who lives and believes in Me shall never die. Do you believe this?

These are tender words of love that Jesus shared with Martha upon the death of her brother, Lazarus. Our Lord had a special relationship with this family. Mary, Martha, and Lazarus were His dear friends. We can understand why Jesus was so moved that He wept with this family.

Our dear family members and friends are precious gifts from above. Through these precious ones, God touches our lives in love. In our time of loss, Jesus comes to us in love and gives His assurance of everlasting life.

Listed below are the names of God's gifts to us. Their lives touched our lives in special and unique ways. Jesus has called them home, but our memories of them will last for a long, long, time. We thank our Lord for His gift to us. We praise Him for using them in the work of His kingdom. We can rejoice in knowing that He is the **resurrection and the life.**

Mision Hispana De Buies Creek Report 1998

This year we started slow because of the rain. The crops were delayed, and the migrant workers were delayed as well. By mid-May, we started picking up on members and those that were interested in coming to the Spanish mission.

Our main driver this year was my brother-in-law, Jerry Glasgow. His assistants were Steve Davey, Cathy Mercado, and myself. Our teacher was Sheryl Davey. Our Sunday School teacher for the children was Cathy Mercado. Our attendance was up and down. Some Sundays we had over 20 attending. Our services went well, and there was no profession of faith so far this year.

Our Fiesta was conducted on August 16, 1998 at Campbell University grounds this year. We had over 20 to participate. The children competed in many games. Games ranged from watermelon toss to watermelon seed spitting contest. The children events ended with the main attraction, the pinta.

The adults competed in different events from 4-on-4 volleyball to watermelon eating contest. After the games were over everyone went to the Spanish Mission for the awards ceremony. Everyone left the mission with medallions or trophies. Everyone was a winner!

Plaques were handed out to my volunteers staff this year for a job well done. Plaques for the Little River Baptist Association and Coats Baptist Church were purchased to show these two organizations our appreciation for their support of the Spanish Mission.

We look forward to next year, and if it's the Lord's will the Spanish Mission will go on. ***To God Be The Glory!***

Moderator and Executive Committee Report

"Living the Faith: Sharing His Love"

With excitement and optimism inspired by the Holy Spirit, we look forward to working together in the Little River Baptist Association to accomplish the above mission during the coming year. The immeasurable good and the wonderful works achieved by the devoted workers, our Christian brothers and sisters in the past, will be the standard we seek to emulate in the future. For 122 years the Little River Baptist Association has been growing in the Lord. What a joy to see what has been done. As we approach the 21st Century, what a thrill to think of what is yet to come.

NC Baptist Hospitals, Inc.
Hospital Celebrates 75 Years of Service

In May 1998 the NC Baptist Hospitals, Inc. celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision the NC Baptist State Convention had when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund ~ Through the Mother's Day Offering this annual ingathering of love was approved by the Baptist State Convention of NC in 1924. In 1997 the MDO amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. Well over $200,000 was used to assist members of our Baptist Churches in NC.

Division of Pastoral Care ~ During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership development. **Resources for ministers** include: Young Leaders Program, Turning Point, Interim Ministry training, and Intentional Interim Ministry training.

Facts about Wake Forest University Baptist Medical Center ~ With more than 10,000 employees, four restaurants, two banks and a post office. Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinic affiliations grew to 22 by December '97.

Points of Emphasis and Progress ~ *ALS CENTER* - Wake Forest University Baptist Medical center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis(ALS), often referred to as Lou Gehrig's disease. The Medical

Center's ALS program is the only center in western NC devoted to ALS patients. *__TRAUMA CENTER__* - The Medical Center has the designated Level I trauma center for northwest NC. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies. *__TOPS IN RESEARCH__* - According to a report in the February 1997 issue of *Applied Clinical Trials*, Wake Forest University School of Medicine ranked in the top 10 U. S. Clinical research institutions. *__RANKED AMONG THE NATION'S BEST__* - The NC Baptist Hospitals, Inc. is among the nation's best hospitals in nine of 17 specialties, according to the ranking published in the July 1998 issue of *U. S. News & World Report.*

For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care delivered with compassion.

For more information, contact one of our operators at (336) 716-2011. To make an appointment with a physician, contact *HEALTH-ON-CALL* AT (800) 446-2255.

NORTH CAROLINA/SOUTH AFRICA PARTNERSHIP
1998

The Little River Baptist Association received several requests for involvement in this partnership. The first step was to call for interested persons, who met and discussed their gifts, availability, and requests. It was determined to pursue **project SA229** which reads as follows:

Job Title: Construction, Evangelism, VBS, Deacon Training

Description: Need some able-bodied men to help with the construction of the first building for this new church. The property has already been purchased. The building material will cost app. $8,000.00. Some help in terms of matching dollars for Rand would be helpful, but not required. The church is raising money to cover some expenses. Four or five people to conduct a VBS are needed to work with children and youth. One person (Dan Deaton) is requested to conduct deacon training with the mission church and the mother church(Laudiam). Each person will have opportunity for personal evangelism, and the men can preach both Sundays in both the mission and the mother church.

This mission project was presented to the Associational Executive Committee and adopted. Notification of the mission and request for team members was made throughout all LRBA churches. To date, nine persons have committed to this call. The team is currently preparing to be on the South African mission field **November 5 - 20, 1998.**

It was further presented at a later LRBA Executive Committee meeting that the offering of the association's Annual Meeting be designated for the building fund of this mission, which will convert $1 to 5.8 Rand to date, the motion was adopted.

Updated news from South Africa includes: nightly evangelism services are planned throughout the mission dates; construction on church building is up to roof line with team anticipating roofing, plaster & tile work, pouring cement floor, and electrical installation;—

We have much to thank God for in this mission opportunity. Thank each of you for your prayers. Please continue supporting this partnership with prayer throughout the upcoming weeks and year.

Prayer Requests:

- *Thanking and praising God for His work and blessings.*
- *That souls may be touched and persons saved through our witness for Christ.*
- *For the missionaries and their families who are on the field full-time: Roy & Shirley Smith, formerly of Sanford, NC.*
- *For Pastor Chin Reddy & wife Kamela, of Laudium, S. Africa*
- *For the mother church at Laudium & its mission, Lotus Gardens*
- *That God would continue to lead both the LRBA & its individuals into future partnership mission projects according to His will and purposes.*

Commissioning Service at Annual Meeting

TEXT: Matthew 28:18-20

At this time in our annual meeting we are gathered together for a very important and historic occasion, the commissioning of nine (9) of our members who have answered the call of God to go to South Africa to share their faith in Christ Jesus in word and deed. Some time ago, the NC Baptist State Convention entered into a partnership agreement with Baptists in South Africa to help them evangelize their country, to train their leaders, and build churches. Similar to the vision Paul experienced of a man from Macedonia calling out, "Come over here and help us." Little River Baptists have heard the cry of our Christian brothers and sisters in South Africa through our State Convention to come and help. What are we to do? Perhaps the job title sent to us, says it best. Able bodied people are needed to help with the construction of the first building for a new church. Though the property has already been purchased, we are to try to help raise $8,000.0 to purchase the building materials necessary for the job. We are to build a building, conduct Vacation Bible School for children and youth, train their deacons, and preach in the mother church. All of this is in addition to doing personal evangelism. This is a tall order. Why do we want to take on such a task? How can we do it? Who will do it? Let me attempt to answer these questions in the next few moments.

Why? Because we love the Lord, and we want to be obedient to him and to his Great Commission. How? Through much prayer and by working and giving together. Who? All of us praying, all of us giving, and those who can, going. We have already received an offering, but you can still give. We have been praying and we will continue to pray for the task before us. Who? Nine from among us who said, "I will go." Those nine are *Jeffery Cagle, Dorothy Barham, Russell Blackmon, Alice Davis, Collett Davis, Daniel Deaton, Robert Dillingham, Lucy Thomas, and Chris Wroten*. They are the missionaries of the Little River Baptist Association, our missionaries. Chris is unable to be here tonight. He is leading in revival services and sharing the gospel of our Lord.

In early church when Paul and Barnabas were sent out on their first missionary journey, they were set aside by the church for the task before them. Likewise, we are here tonight to set aside and commission our missionaries for the South African journey. To you who are going to South Africa: In the name of the Lord Jesus and of the Association, I charge you to be faithful to your labor of your hands, the instruction you give, and the testimonies you share, say not only to the Christians with whom you will work, but also the lost your are trying to reach, that God is love, that Jesus is Lord, and that Christians care about the needs of others, no matter where they live.

Likewise, in the name of the Lord Jesus, I charge you; indeed, I charge all of us, to be faithful in the support of these who go out from among us to share the gospel. I charge you to pray from them, encourage them, and to make the financial commitment necessary to provide for their work. I further charge you to pray for the people of South Africa, particularly for those whose lives will be touched by these we send to minister with them and to them.

Jeffery, Dorothy, Russell, Alice, Collett, Dan , Robert, and Lucy. You have already made the commitment to go to South Africa. Now, as an outward expression of that commitment and of your acceptance of the charge given to you by our Lord and this Association, you will please rise, come to the front of the sanctuary and be seated on the first pew.

Now, if you, the members of the Little River Baptist Association, accept the charge given to you tonight and pledge your support of these we send out from among us, you will please stand for the commissioning prayer. After the prayer, I would like for the pastor, mission leaders, or at least one representative of each church present to come and lay hands on our missionaries as a sign of our setting them apart for the South African mission journey.

Senior Adult Ministry

The Mission Statement: To establish a network of Senior Adults to share the joy of Christ across Harnett County.

A survey revealed active groups in 14 churches. From these 20 representatives met to plan our Senior Adult Ministry. An Associational Senior Adult Day was observed May 18, 1998 at New Hope Baptist

Church. Fifty-one persons representing nine churches shared this fellowship. A panel of five told us some of the ideas and activities used by their groups. After lunch we enjoyed "home grown" entertainment and door prizes. Upcoming associational and state sponsored opportunities were announced. The 1999 Senior Day will be held at Friendship Baptist Church in Bunnlevel.

We continue to try to include our homebound members. Hopefully, this ministry will become an active program in other churches. For more information, please feel free to call me at (910)893-3136.

WHEREAS, the Little River Baptist Association has joined with the Baptist Foundation to establish a "Growth Endowment," enabling both inward and outward growth for its participants, and

WHEREAS, one man has been the originator, document writer, chief promoter, and enlister, hereby establishing a channel for persons to support mission work in LRBA, and

WHEREAS, our association will long benefit from the vision, persistence, creativity, and magnetism necessary for this economic foundation which has been laid to ensure mission development both now and for the future,

BE IT RESOLVED, that we, the messengers of the 123rd Annual Session of the Little River Baptist Association meeting this day, October 27, 1998 at Coats Baptist Church, express admiration and indebtedness to Dr. Bruce Blackmon, as we see his vision being carried out to increase the role of Christ Jesus in the LRBA long after we all have finished our lives on this earth.

Woman's Missionary Union Annual Report

What an exciting year we have had in WMU in our association. We sense a lot of enthusiasm among our women, and we praise God for that. We had set two main goals for our WMU this past year; one was to keep our women better informed, and the other was to try to start new groups. We are thankful to God that we can say that we believe we have met both those goals.

In the fall of 1997, we began a newsletter that is sent to all churches. Our attempt is to keep everyone informed and encouraged at the same time. ***WMU RIPPLES From Little River Baptist Association*** is the channel for our different groups to share ideas, ministries, and other helps. During the year, there were at least seven new groups started. We also learned from the State WMU office that Little River WMU was one of the few associations that had an increase in membership. For all of this, we praise God and thank the women of our association.

In keeping with the ministry theme for WMU in 1998/99, we had a **Cultural**

Diversity celebration at which we met and shared with women of other races. We were also blessed at our annual meeting to have several women of other nationalities share with us something of their cultures. Our GA's had two very special rallies with fun, fellowship, and lots of mission involvement, too.

The women of Little River Association are always ready to prepare items for needy people, and this year that included over 700 pairs of socks for the Women's Prison, 178 coats for Korean children, health kits for Migrant children, and medical kits for the Belarussian children. These things were planned for the whole association, but in each church, the women are busy with mission study, teaching missions, praying for needs and for missionaries, and getting involved in all kinds of mission activities.

Every year our annual **Prayer Retreat** is a highlight for our women, and this year was no exception. Approximately 130 women met at Caraway where Phyllis Elliott led us in a time of refreshing and renewal. Our **Pastor's Appreciation Banquet** and **Baptist Women's Day of Prayer** emphasis were other very special times during the year.

Our women have been busy, and we are thankful. But, there is yet much to be done, so it is still our prayer that we can involve more of our children, girls, and women in the greatest task ever given that of winning a world to our Lord Jesus Christ. That is our desire and our invitation to others to come join us in the task.

World Mission Report

"Wonder Working Power" is the theme for this year's Annual Report for the International Mission Board. God is moving among all the peoples of the world. This is evident every day as missionaries of the IMB move into areas never before reached by the Gospel of Jesus Christ.

For the first time, the Lottie Moon Christmas Offering topped the $100 million mark; for the first time, 17,000 volunteers joined the missionaries on projects overseas. The continued work of 4,249 overseas personnel resulted in 283,100 baptisms, 62,920 total churches and missions, and 4,112,181 members in 127 countries.

The International Mission Board is now focusing much of its efforts on "The Last Frontier," an area that contains 30% of the world's least evangelized peoples on the earth and less than 5% of all mission work.

"***Look at the nations and watch and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told***" (*Habakkuk 1:5 NIV).* God has chosen to involve His people to do His work. He empowers us to go to other nations to be a living example of Jesus Christ, spreading the good news of salvation, and He burdens us to give and to pray so that others may go.

As we look at what God is also doing here in our own America, the North American Mission Board reports nearly 5,000 NAMB personnel in the U. S., its territories and Canada. Their work is supported by more than 2,500 SBC -endorsed chaplains and 100,000 adult and student volunteers who make significant contributions in starting churches, evangelism and disaster relief.

More than one-third of NAMB's financial support comes from the annual Annie Armstrong Easter Offering for North American Missions, and 100% of the offering goes to support missionaries on the field. The 1997 offering was the largest ever received at more than $41 million.

Also crucial to NAMB's work is the $34 million that comes from the SBC Cooperative Program which funds six seminaries, 4,000 + international missionaries, and other national programs.

Last year Southern Baptists baptized over 412,000 people, nearly 9% more than in the previous year. However, an estimated 200 million people in the U. S. and Canada still do not know Jesus Christ as Savior. The agency provides assistance to churches, associations and state conventions in soul-winning training, interfaith witness, and church and community evangelistic events.

Southern Baptists have started nearly 1,500 new churches every year for several years, and did so again last year, but we are still not keeping pace with the population growth. Our prayer is that God will work His "Wonder Working Power" also here in our beloved country, as His spirit continues to move upon His people.

Constitution and Bylaws
Little River Baptist Association

PREAMBLE

ARTICLE I - NAME

The name of this body will be the Little River Baptist Association.

ARTICLE II - PURPOSE

The purpose of this Association will be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our Associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

ARTICLE III - OBJECTIVES

1. To provide programs, projects and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of Associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, mission education, and benevolence.

ARTICLE IV - AUTHORITY

This Association is a self-determining body under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

ARTICLE V - MEMBERSHIP

Section 1. The Association will consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five (5) messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of the respective church.

Section 2. A quorum will consist of messengers from at least 50 percent of the member churches.

Section 3. Voting will be limited to duly elected messengers or their alternates as certified in the Annual Church Profile.

Section 4. Policy for the Establishment of Missions

1. There are three (3) recognized groups that may begin a new mission work in new areas:
    a. A Church affiliated with the association.
    b. The Missions Development Committee.
    c. Any interested group of cooperating Little River Baptists.
2. Any Baptist group wishing to organize a mission will first advise the Director of Missions and the Missions Development Committee of their intent.
3. It will be the duty of the Missions Development Committee to offer their services to any sponsoring agency anticipating new mission work.
4. When necessary, the Missions Development Committee will assist the mission in finding a sponsoring LRBA Church. If the committee is unable to find a sponsoring Church, the committee may serve as the sponsoring agency.
5. The Missions Development Committee will encourage the sponsoring Baptist Church to nominate a Missions Committee of at least five (5) persons, if they do not already have one.
6. A survey of the target area will be made by the Missions Development Committee to determine accurately the needs and possibilities for that area.
7. The sponsoring agency will communicate with all adjacent churches and missions within a three-mile radius of the target area with a written request for cooperation in starting the new mission work. The responses and any other pertinent information will be presented in the joint meeting mentioned below in Paragraph Eight of this policy.
8. The Missions Development Committee will call a joint meeting of the following:
    a. The Missions Committee of the sponsoring Church.
    b. The pastor and a lay representative from each of the adjacent churches and missions within a three-mile radius of the target area.
    c. The Director of Missions.
    d. The Moderator.
    e. The Missions Development Committee of the Association.
9. If this joint group, by a majority vote of those present and voting, looks with favor upon the establishment of a new mission, the work can at that point begin. The Missions Development Committee will

assist the Missions Committee of the sponsoring agency in drawing up an agreement between the mission and the sponsoring agency. If the joint missions are unable to reach a majority vote, it will be referred back to Missions Development Committee for further study.

10. The Missions Development Committee, the sponsoring agency's missions committee, and the Director of Missions will work in cooperation in the process of the organizing of the new mission.
11. After the mission is organized, the Missions Development Committee will continue to work with the sponsoring agency and the mission until the mission is organized into a cooperating Southern Baptist Church.

Section 5. Policy of the Organization of a Church

1. The sponsoring agency and/or the mission will send a written petition to the Missions Development Committee stating the desire of the mission to be organized into a cooperating Southern Baptist Congregation.
2. The Missions Development Committee will then call a meeting of the pastors and a lay representative from each of the churches in the association to meet with the representatives of the mission for the purpose of considering the request. At least two weeks notice will be required for this meeting.
3. The Moderator of the association will preside at this meeting.
4. The sponsoring agency and the mission will be prepared to furnish the following information:
    a. The history of the origin and development of the mission from its beginning to the present.
    b. A proposal for a permanent physical location of the Church property and buildings.
    c. A statement elaborating upon the mission's ability to be financially self-supporting.
    d. A statement concerning the mission's availability of qualified leadership necessary to carry on the work of a Baptist Church.
    e. A statement concerning the mission's organizations (Sunday School, Discipleship Training, WMU and Brotherhood, etc.).
    f. A statement from the mission concerning its attitude toward all of our Baptist work; such as cooperating with other Baptist Churches, the Cooperative Program, willingness to support SBC institutions and agencies, etc.
    g. A statement of doctrine and faith prepared by the mission.
5. With this information in hand, the group will then take a vote to recommend that the mission be organized and received into the fellowship of the association, be denied this request or to

postpone consideration until specifically detailed matters are resolved to the satisfaction of the group. If the vote is favorable by a majority vote of those present and voting, then the sponsoring agency will be requested to set a date for the organization of the mission into a cooperating Southern Baptist Church, and subsequent notice sent to all churches of the association inviting them to the organizational meeting.

Section 6. Policy of the Physical Relocation of Church Property

1. The Church desiring to relocate its physical location will be requested to consult with the Missions Development Committee stating the desire of the church to relocate.
2. The Missions Development Committee will then call a meeting of the pastors and a lay representative from the adjacent churches and missions within a three-mile radius of the proposed new location for the purpose of considering the request. At least two weeks notice will be required for this meeting.
3. The Moderator of the association will preside at this meeting.
4. The Church will be prepared to furnish the following information:
    a. Why the Church desires to relocate.
    b. The history of the origin and the work of the Church from its beginning to the present.
    c. The proposed permanent location of the Church property, buildings, etc.
    d. A statement of the Church's organization, structure, support and participation in Southern Baptist work.
5. With this information in hand, the group will then take a vote to affirm the church in its desire to relocate, or to deny this request, or to delay any action or recommendation by the group at this time. The final decision to move or not to move will, of course, be the Church's decision, and its decision will be honored by the association. The members present will constitute a quorum.

Section 7. The Association may at any time dissolve connection with any church that ceases to abide by this constitution and the spirit of the same.

Section 8. Any church may withdraw from the Association at its pleasure.

History of New Hope Baptist Church

293 Bethel Baptist Road, Spring Lake, NC 28390

New Hope, the southern-most church in the association, was organized May 1988 and met in the home of Alice West. The congregation comprised eight (8) members. June, 1988 found the newly established church meeting in a modified single wide mobile home. Floyd West was called as pastor to lead this small but growing church. In July 1988 the church bought 17.5 acres of land upon which to build facilities to support a growing church.

The church moved into a modified doublewide mobile home placed on a corner of the recently bought property. On June 4, 1989 the church held its first service there. October of the same year marked the first time that New Hope Church held Sunday School. Three (3) classes were formed: a toddler class, a children's class, and an adult class.

Pastor Floyd West resigned in August 1990, and Reverend Wendell Pearson was called as pastor in October 1990. At this time, the church officially adopted its constitution. As the church continued to grow, the doublewide facility became inadequate to house the congregation's needs. Under the leadership of Pastor Pearson, the church voted to borrow $200,000 to build a sanctuary, two offices, a nursery and two rest rooms. The sanctuary and two entrance areas would serve as Sunday School classrooms. With church members and volunteer workers from the sister churches providing the bulk of the necessary labor, these facilities became a reality, and on November 15, 1992, homecoming was celebrated in our new sanctuary. By this time New Hope had grown to 83 church members.

Pastor Wendell Pearson became afflicted with cancer and passed away on May 26, 1995. Interim preachers filled the pulpit until October 1995, at which time Reverend A. C. Tatem was called as pastor. Soon it became apparent that our Sunday School facilities, as well as our Wendell Pearson fellowship hall, were inadequate to meet the needs of a growing church.

During the early part of 1996 until the middle of the year, much discussion and debate ensued concerning the proposed addition to New Hope Church. The church voted to build an addition to the existing facilities to house classrooms and a fellowship hall to be funded by floating church bonds. A total of $300,000 worth of church bonds were sold by November 1996. Construction of the building commenced soon thereafter and was completed in time for New Hope to move into these spaces in February 1998. Presently, the church enrollment is 213, of which 134 are active members.

History of Rawls Baptist Church

10709 US 401 North, Fuquay-Varina, NC 27526

In the year 1913, a group of concerned people in the Rawls community met to discuss the possibility of organizing a Missionary Baptist Church. This church was to be known as the "Rawls Baptist Church." It was organized on October 21, 1913. There were twelve charter members.

In 1914, a church building was erected where Rawls Church Cemetery is now located. In the early 1930's, the present church building was built and enlargements added over time. The present active membership is 101.

We have had two ministers ordained from the church, and 24 pastors who have served over the years. Rawls is continuing to serve and help carry on God's work.

Baptist Children's Homes of NC

Three rocks beside her trailer warned four-year old Mamie not to tell anyone of the way her father was abusing her. If she ever told, her father said, those stones would mark her grave and the graves of her two best friends. "He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him. He was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. She heard him threaten her death while she cowered inside.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother. "It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year old husband had a second heart attack, Mamie became too much for the couple to handle. She now lives at Moody Home, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shedding the Safety Net

Mamie pressed the boundaries of love. "I tried to push the boundaries a little further to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said. Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds. In 1998 – 99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of "Quality Service through Quality Relationship." Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs." The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to Luther and Audrey Carter Hall, named in honor of their estate left to BCH. The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore. Total renovations increased capacity at Odum Home from 28 to 45 residents. In addition, 10-day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

On May 4th, at Cameron Boys Camp, two staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services, call (800) 476-3669.

Baptist Men Annual Report

Baptist Men's programs have been going through changes over the past few years. Traditionally, we were a meet-and-eat group with lots of fellowship. Some groups would do various chores around their church.

Five or six years ago, our association began a Disaster Relief Mission with its disaster recovery trailer, which is headed by Marion Hobbs.

N.C. Baptist Men sponsors and provides leadership for many other missions, such as medical, aviation, correctional, lay renewal, prayer support, and resort and leisure missions, just to name a few.

All of these ministries are mission action carried out by men. Theywill continue, but the new emphasis is on spiritual growth as we minister to men. This includes missions such a prayer groups, small group Bible study, family reconciliation, etc. This will give us a balance between spiritual growth and mission work by men.

Some of the activities that we promote and in which our churches currently participate are the following:

- A number of churches promoted Baptist Men's Day, January 24.
- Delegates sent from churches to N.C. Baptist Men's Convention in Greensboro on January 29-30.
- "Ministering to the Hungry" is a hands-on agricultural workshop at the N.C. Baptist Men's Demonstration Farm at Campbell University on April 9-10.

- This year we had more churches participate in the celebration of National Day of Prayer on May 6. We also received many helpful ideas from churches to help observe this day.
- Four churches put together 67 boxes of food for Honduras at a cost of $3500.00. North Carolina Baptist Men's goal was 2500 boxes which we exceeded by 153. In addition, two churches sent $1800 to help the Baptist missionary on site to buy Bibles, flashlights, and batteries.
- We sponsored a pool party/cook-out for the Belarussian children and their host families. Bob Grindle provided the leadership for this enjoyable event.
- Several attended the Brotherhood Leadership Training held in August at Cara-way Conference Center.
- Twenty local Baptist Men's leaders attended our Associational Brotherhood Training for Baptist men and RA leaders on August 30.
- We are now getting some of our Baptist Men's leaders to attend Region 4 meetings that are held 3 times during the year.
- In keeping with the new emphasis on spiritual growth, Baptist Men were involved in the Billy Kim Crusade held October 17-21. We were asked to reach out to unbelieving friends and neighbors, and to encourage believers in their faith.
- Last year we reported that 24 of our 42 churches in the Association had active Baptist Men's groups. This year the figure has risen to 30 out of 42, due to new groups forming and more churches reporting in.
- Our churches collected 5 vanloads of food, cleaning materials, water, and thousands of dollars, which was carried to North Carolina Baptist warehouses for use with flood victims in eastern North Carolina.

Please report your church's involvement in Baptist Men as well as RA's and Challengers. Send copies of reports to the state and Associational office so that we will all be informed about what is going on with each Baptist Men's work.

Baptist Retirement Homes of NC, Inc.

"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance."
Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

" You have made my lot secure"
Through Cooperative Program gifts and special offerings, Baptist Retirement Homes are providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999. Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues family's face, our statewide system of counselors can provide answers that are reliable and reassuring.

" The boundary lines have fallen for me in pleasant places."
In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen community in Concord.
"Surely I have a delightful inheritance."
Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly... **The Best of Times!**

Belarussian Children's Ministry 99

What a great summer! Through the cooperative effort of the churches of the Little River Baptist Association, 26 children from the small, economically depressed country of Belarus received medical, dental and eye care, as well as a loving, caring, Christian home environment for 6 weeks. What a wonderful experience for the children, host families, and our churches.

A big "Thank you" to the 24 host families who shared their homes and hearts with our special guests. Each Belarussian child returned home with many wonderful memories to share with their family and friends. Each child throughout their lives will cherish the expressions of kindness, concern, and love.
A special thanks to the members of our medical community who ministered to these little ones. Through the generosity of this group, children were provided free physical examinations, eye care and dental services. Follow-up services were provided as needed. What a wonderful gift to children who, in all probability, would not receive such services in their own country.

Through our work with the Belarussian Children's Ministry, we have become more acutely aware of the blessings God has bestowed upon us as Americans. This ministry provides an opportunity for us to share our blessings with those who are in great need. In fact, it is one of only a few mission programs that allow us to become active missionaries and yet remain at home. We encourage your involvement by praying daily for the program and the people of Belarus, making a financial commitment to the program, and volunteering to serve as a host family to a child. Thank you for your continued support and involvement.

Jesus took a little child and had him stand among them. Taking him in his arms, he said to them, "Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me." (Mark 9:36-37).

Biblical Recorder

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder*, which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began of January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Recorder* adopted the following mission statement: **"Our Mission is to further Christ's kingdom by providing relevant news, insightful and supportive resources to North Carolina Baptists in a timely and accessible fashion."**

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the Recorder work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the Recorder.

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence on the World Wide Web. The *Recorder's* website at http://www.biblicalrecorder.org offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- Church News Service (incorporates church newsletter into the Recorder) - $6.36

- Every Home Plan (20% + of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

Christian Action League of North Carolina

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

Christian Values

- It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorated, and learn about the Christian heritage and history of our nation. CAL assisted in sponsoring a statewide essay contest for high school students (public, private, and home schools) and presented state winners with awards for excellence.

- Continued to promote Christian Citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

- Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

- Promoted awareness of the worldwide persecution of Christians through faxes, emails and newsletters.

Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls, and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence until Marriage education is implemented statewide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

Abortion
CAL monitors SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late-term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion Fund to cases resulting only from rape, incest and life of the mother. In the last four years, only one abortion has occurred under these circumstances. using taxpayer funds.

Alcohol
CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens statewide about legislation that would have approved alcohol sales without the vote of the people. Four bills were introduced this session that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607, and HB 1043. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

Pornography
Worked against HB 1248, which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance, performance, or artistic creation that contains serious literary, artistic, political or scientific value." The bill died in committee.

Homosexuality
CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB 701, 884 and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free drug users using tax-payer dollars.

Cooperative Program/Stewardship Report

The Cooperative Program continues to be the lifeline for most Baptist work throughout the State and the World, supporting Missions, Convention, and State Programs. It has been a good year for Cooperative Program gifts. The SBC has reported that nearly $168 million has been given, surpassing last year's record by more than $8 million. This is a 5.27 % increase, making it the sixth year for an increase. This means SBC's capital needs budget will be paid, finishing a ten-year capital needs budget ahead of time. Therefore, all gifts over the regular budget will be forwarded to convention agencies according to the regular CP funding formula. This entails a 50% allocation to the International Mission Board and 22.79% to the North American Mission.

The Baptist State Convention has received Cooperative Funds totaling $26,343,232.00, which is a 5% increase over last year. In addition, churches in North Carolina have given $4,771,857.00 to NAMB, which is about a one percent increase over last year. The offerings for International Missions was $7,541,201.00, a quarter of one percent increase over last year. The North Carolina Mission offering was $1,295,981.00, a little over one percent increase from last year. CBF offerings total $663,014, which is a one percent increase.

"North Carolina Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (SBC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for The *Biblical Recorder.*

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptists institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communication between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological educational expenses. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

Disaster Recovery Report

Our Disaster Recovery Team has participated in mission projects as well as training classes this year. Several members of the team went to Siler City twice to assist those working on a Spanish mission located there. We participated again this year at the Ag. Field Day in Buies Creek. Some members joined in on a Habitat for Humanity House being built in Broadway, and also helped put a roof on a church there.

The Disaster Recovery Trailer was on display in Cary at our annual Region 4 Training exercises in September. We received excellent chain saw safety training and learned how to proceed with mud-outs after floods. This has proved to be valuable training and helped to prepare us to help those in Hurricane Floyd's path. Team members responded several times to Eastern North Carolina for hurricane cleanup, which continues to be ongoing.

As we see and respond to the many natural disasters in our world, we should be also aware of the many hurting people that have physical and spiritual needs. Pray that God will lead others to join us in these worthwhile causes.

Discipleship Training

The *LIFE Support Network* continued this year to have support groups that helped people deal with personal and relationship issues. So far, all of our groups have worked through *Making Peace With Your Past* and *Moving Beyond Your Past.* A new group of this type is being formed in early November for the Hillmon Grove Baptist Church.

This coming year, we will continue forming "Making Peace" groups. Rev. Roy McLamb will be working to form a group dealing with chemical dependencies. We hope also to offer a group dealing with divorce recovery and one dealing with eating disorders.

The purpose of the LIFE Support Network is to help people receive victory, increasing wholeness, and a growing ability to give and receive love in all of one's relationships through a growing love relationship with God. Most people, including most Christians, have not been given the knowledge and tools necessary to deal with the emotional pain we all experience in normal living. This ministry is designed to help churches minister to the relational and emotional needs of their people, looking to God as the source of all love and wholeness.

The *Associational Children's Bible Drill,* held in March, had 36 children representing seven churches. Thirty-three children from 7 churches went on to the Regional Bible Drill in Fayetteville. The *Associational Youth Bible Drill* had twelve youth representing five churches. All twelve youth went on to the State Bible Drill.

For the first time in several years, we had a *Youth Speakers Tournament*. Two youth from Holly Springs Baptist Church presented speeches. Only one youth from each Association is allowed to go to the State Speakers Tournament. Britt Buchanan represented the Little River Baptist Association and placed second at Fayetteville.

We would like to see more children and youth from more churches participate in these very valuable learning opportunities, which will help these young people for the rest of their lives. Please contact Ruby Babb or Georgia Lee Brown for information on the Children's Bible Drill, and Kathy Crenshaw for information on the Youth Bible Drill and Speakers Tournament.

Rev. Steve Davis, the Discipleship Support Team Chairman for this year, recently accepted the call to minister at a church in the Philadelphia, PA area. We miss him, and we pray for a very fruitful ministry for him there.

Evangelism Report

It was my privilege to serve as your Evangelism Chairman this year. Again, the Lord has blessed us with many opportunities to serve Him and reach out to the people of our Association with the Gospel message. On July 17, the Little River Baptist Association hosted it third annual Youth Rally. Approximately 150 youth workers attended the rally in Scott Concert Hall at Campbell University. This year, in addition to Witness, The Evangels, a drama team from the Baptist State Convention, led the rally. At the conclusion, an invitation was given with 15 decisions being made. This was the best participation we have had from our churches since these rallies began. Again, the Baptist Men from our Association served free drinks. I hope that the Evangelism Committee will continue to sponsor the annual rally as we move into the year 2000 and beyond.

The second event our committee has helped promote through our association was the Billy Kim Crusade, which took place at Turner Auditorium at Campbell University, October 17-20. The crusade was co-sponsored by our association and Campbell University under the Thomas F. Staley Foundation. At the time of this writing, the crusade is a few weeks away, so I cannot give the final results. Dr. Kim, a renowned Korean pastor and evangelist, has recently been elected to be the president of the Baptist World Alliance. God has used him to reach people all over the world with the good news of Jesus Christ. It is my prayer and that of your committee that God will use him mightily here in the Little River Baptist Association.

I rotate off of the Evangelism Committee this year, but look forward to serving with you in other areas of associational work in the New Year. Thank you for allowing me to serve you in this capacity and for your prayers and support. May God continue to bless you for your faithfulness in advancing His Kingdom as we move into the new millennium together.

Growth Endowment for Missions

The growth endowment is continuing to grow. It is beginning to provide some funds for mission projects. It will continue to grow and serve mission projects as long as time last. It is hoped that every church in the Little River Baptist Association will include the Growth Endowment in their year 2000 budget. If some help were to come from everyone of our 42 churches, a significant difference would be made in the amount of mission support our association could provide. Currently our endowment has reached $9,554.07.

Hispanic Ministries

Beginning in May, I began surveying the Hispanic population in the Angier area. I discovered a significant number of Hispanics in the community surrounding Piney Grove Chapel Baptist Church and began visiting in the trailer parks where they live, holding informal Bible studies in the yards.

In June, Hispanic children and adults attended Vacation Bible School at the church. Saturday night Bible studies were begun as well. After a few weeks those participating ceased attending and Bible study was moved to Sunday morning. This attracted primarily migrant farm workers and occasionally residents of the community. Attendance averaged 8-10 people, all men, during the months of July, August, and September.

By the first of October, when the migrants left, no local residents were attending. After visitation in the community without results, it was decided to terminate the work at Piney Grove Chapel Church

At the invitation of Angier Baptist Church, I began visiting in October in the downtown area of Angier with the hope of beginning a weekly Bible study in the church.

In July, I began working with Central Carolina Community College as counselor and recruiter for Hispanic students. One of my assignments with the college is to survey Hispanic populations in southern and western areas of Harnett County and begin English classes for local residents. I hope that the contacts made through this job will result in Hispanic work in several churches of the Association.

A Memorial Meditation

Let not your heart be trouble; believe in God, believe also in Me.
In My Father's house are many dwelling places; if it were not so,
I would have told you; for I go to prepare a place for you.
And if I go and prepare a place for you, I will come again,
And receive you unto Myself; that where I am, there
you may be also (John 14:1-3).

Jesus and His disciples gather in the Upper Room for a last time of fellowship. Our Lord uses this occasion to tell His followers of His impending death. As He looks upon their faces, he knows that they are sad and that they do no understand why He has to die. Jesus speaks the words recorded in John 14:1-3 to comfort them. He wants to reassure His disciples that there is a greater life beyond this one and that He Himself will one day come and take them home to be with Him forever.

Listed below are the names of our loved one that Jesus has received in glory. They now know the joy of being in the presence of the Lord and seeing Him face to face. Their hearts are not troubled—neither should ours be. Jesus is coming soon!

Moderator and Executive Committee Annual Report

"Living the Faith: Celebrating God's Family"

Here we are at the dawn of the 21st century, standing like Joshua on the banks of the Jordan, ready to crossover into a future that belongs fully to God. Our excitement about the future of the Little River Baptist Association is inspired by the past. Our faith is empowered by the great faithfulness of God and by the faith of those who have walked before us over the past 123 years of life together in the Little River Baptist Association. We have been given a vision kindled by the Word of God, sustained by the Christ who goes before us, and inspired by the Holy Spirit. More than ever before, we, the churches of this association, need to stand together to strengthen, encourage, and build-up one another. More than ever, we need to live the faith authentically in this changing county, state, country and world. More than ever, we need to dream big dreams, and celebrate what God can do with persons and congregations fully committed unto Him. What a challenging time this is to be at work for the glory of God! What great and amazing opportunities the Lord has given to share the Good News literally with the world around us. By the grace of God, and the aid of the Holy Spirit, may we, members of the body of Christ and this Association, go forward boldly united for the glory of God.

The North Carolina Baptist Hospitals, Inc.

Celebrates 76 Years of Service

HOSPITAL CARRIES THE TRADITION

In May of 1999, the North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ.* Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same..

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998, the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other means to pay their hospital bills. From the offering this past year, well over $200,00 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday, and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/Care Net, Inc. Continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. Continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: young Leaders program, leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

With more than 11,000 employees, four restaurants, two banks, and a post office that handles more mail than some towns, the Medical Center has been called a city-in-a-city. We are the largest employer in Forsyth and Guilford counties.

The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth,* a community health information center at Hanes Mall in Winston-Salem. The Center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.

Building strong relationships with the community is important to us. A recent survey indicates that medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations on our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife – The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors, vascular malformations, and other benign brain lesions with pinpoint accuracy without healthy, normal tissue.

Trauma Center – The Medical Center has the only designated level I trauma center for northwest North Carolina. In the trauma center, our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, the North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

Senior Adult Ministry

We continue to join other Senior Adults in sharing the joy of Christ across Harnett County.

The council consist of a chairman and six members and acts in an advisory and planning capacity. Eighty-two persons attended the annual Associational Senior Adult Fellowship Day, held May 20, at Friendship Baptist Church in Bunnlevel. Fourteen churches report Senior Adult groups. We also have limited contact with some of our known homebound.

It will be helpful for each church to designate a Senior Adult representative. Please send this name to the Administrative Assistants at the Associational Office for our Year 2000 Senior Day which is scheduled May 18th, at Holly Springs Baptist Church.

South Africa Report

North Carolina/South Africa Partnership
November 1998 - November 1999

Evaluation from 1998 Project SA229

Little River Association sent a 9-person team to Laudium, S.A., November 5-20, 1998. This was a ministry to a "mother church," as well as its "mission." Following are descriptive evaluations of each area of ministry:

Evangelism - Evangelistic efforts were made through neighborhood visitation at Lotus Gardens, mission site. Decisions for Christ were left with Pastor. N.C. team Pastors preached in regular worship settings. One additional invitation to preach at another local church was extended for our DOM.

Construction - God blessed the work, and a greater completion was achieved than initially projected. There are currently being held in this facility: Sunday AM and PM services, weekday adult Bible-study groups both for men and women, weekday children's ministry.

- Building funds were sent and materials were either on hand or readily available.
- Additional S.A. laborers were available and on site, working alongside our team.
- N.C. team included *some* with expertise, which proved to be of great value.

Training Events - Deacon's training was led by our DOM for the mother church. Two sessions were held. Participants were enthusiastic and grateful. Women's ministry allowed for participation in three settings with the mother church. Bible study for women was held for Lotus Gardens mission. Invitations doubled the group size, which is reportedly maintained to date.

Children's Ministry - God blessed the work with 75-80 participants. A 5-day Children's Club was held with age-group teaching. Sunday School was led by N.C. team both Sun. afternoons at the mission location.

Celebration Day - On the team's final Sunday evening, a *Celebration Service* was held in the new mission church building! The Lord's presence was made known as He was glorified by the local attendance, construction progress, and children's participation.

We thank each of you who held this missions-ministry in prayer, financial support, or personal participation. To God be the glory, great things He has done!

Trans Atlantic Exchange 1999- S.A. Guest, Rev. Nicki Coertze

In the second year of the Partnership, several leaders from N.C. and S.A. envisioned a Trans Atlantic Crusade during Sept.-Oct., 1999. Approximately 30 N.C. pastors traveled to S.A. during September. We are now hosting a group of S.A. pastors across our state.

LRBA is honored to have Rev. Nicki Coertze as our guest for five days. Rev. Coertze is Senior Pastor of Christ Baptist Church of Pietersburg, S. Africa. He is also chairman of the commission arranging the Trans Atlantic Crusade. He has shared at Lillington Baptist and Hillmon Grove churches. Tuesday, Oct.26, he will be hosted by the Sandy Creek Association. Wednesday, Oct.27, Rev.Coertze will be at Dunn 1st Baptist in the morning, and also at Angier Baptist for the Wed. evening service. Guests are welcome.

Project 2000 - #SA356 and SA357

From Roy Smith: *"We have been praying for God to give you just the right project. When we surveyed the work in the Northwestern Province near Rustenburg, you fold came immediately to mind. We are asking for "Little River" on two projects that are in nearby villages. You could send a team and work in both at the same time. The team(s) would stay in homes of church members. It would not be fancy, but they would share with you the best that they have. You will find them to be very humble people. I think you would find this a great match for your folk. This is an area where not team has gone. Please pray about the possibilities. This will be a good mix of training and construction opportunities."*
SA356: Objective is to assist Lehurutshe Baptist Church to construct a church building. They also plan to conduct an evangelistic outreach with the help of this team. The metal structure and IBR corrugated sheet metal should be in place before the team arrives. The walls will be brick. They estimate that it will take $15,000 to build. They have secured a $9,000 loan from the SA Association; that leaves $6,000 that they need to raise.
SA357: Tlhabane Baptist Church has asked for assistance in training church leaders. Training is needed in the areas of Church Leadership, Youth Leadership, Deacon Ministry, Church Treasurer (stewardship), Children's Sunday School workers, Other as offered.

This plan has been adopted for LRBA, Project 2000.

"We pray that the team will firm up, as God will have. This will be a great encouragement to them. Mission VBS was not part of the initial request; they would accept any/everything you offer. VBS can be done in the afternoon and training at night."

To Roy: Guess what? Yesterday our local Christian eye-doctor, Dr. Ken Talley, said that he would like to join our team, that God had put into his heart to be used on the mission field. He prefers to go with our team, and I suggested the possibility of training with Dr. Barbe.

"This is great news! We will see Dr. Barbe in one hour. He leaves for NC. tomorrow."

The medical eye-ministry has formed.

Dr. & Mrs. Barbe will be going as members of our team. They have previously served in Sierra Leone for seven years, served as Campbell resident missionaries during interim, and most recently have served in both Swaziland and S. Africa during the past two years of the N.C. Partnership. They and Dr. Talley will be serving both villages where other team members will be working. We are collecting used eyeglasses now through December. Please put in a zip-lock bag and leave at the Associational Office. One-two additional nurses/aids would be helpful.

Important Details for Potential Team, Project 2000

Sunday School ACTeam

The Little River Baptist Association continued to work with the North Carolina Baptist State Bible Teaching-Reaching Team to create new Sunday School units and to develop teacher/leader skills. The Bible Teaching-Reaching Team, led by Phil Stone, held leadership training sessions for all age-group teachers on Monday, March 15, at Lillington Baptist Church and on Tuesday, March 16 at Holly Springs Baptist Church in Broadway. We had excellent participation from our churches for these training sessions. They helped our leadership develop skills and gain new information and ideas to be used in their Sunday School programs.

This coming year, the state team will continue to lead training sessions. We are very blessed to have this team share their wisdom, knowledge, and experience with us. We want to thank Phil Stone and the Teaching-Reaching Team for their work and support.

Women's Missionary Union

The women, girls, and children of the churches of our Association continue to be involved in **MISSIONS** in many, many ways. They are learning, giving, doing, going and encouraging others to do the same, to be God's missionaries here at home and support those who are going to other places.

Our ministry theme for the year has been on reaching out to those who are victims of violence in our society, by educating ourselves and doing what we can to help these victims. Many of our mission groups have had several guest speakers who shared about the work they are involved in as it pertain to people affected by violence.

Our women always participate abundantly in the mission projects sponsored by the Association. We provided some suits of clothing for men in prison, hand lotion (in abundance) to be put in Christmas boxes for the women's prison, Christmas cards for the inmates at Harnett Correctional Center, Ziploc bags to be sent to south Africa, Bagged lunches for special needs children participating in the Spring Fling at Campbell, health kits for migrant children, and medical kits for the Belarussian children. In addition, of course, individual churches reached out in a multitude of ways in their local areas.

We appreciate so much all that our ladies do in missions education and training of our children, girls, and teenagers. From these will come our future missionaries and also our supporters of missions in every aspect, and we are grateful for all the churches who have a full age-graded missions program.

The WMU always enjoys entertaining our pastors each year at an Appreciation Banquet, and this past year was no exception. Twenty-eight of our churches were represented at this year's event in February. We do appreciate our pastors who support and encourage all their members to be involved in missions.

Baptist Women's Day of Prayer always comes in November, and we had two association- sponsored events. One was a breakfast at Antioch Church, and one a luncheon at Memorial Church. Our women pray for, and give an offering that goes to meet need of our sisters in other countries. Women and children seem to suffer the most in political upheaval and other conflicts, and this is a time we especially remember them.

One of the highlights each year is our Prayer Retreat. This year it was held at Caswell; and in spite of the rain, 124 women met for a wonderful time of prayer and Bible Study, as well as a lot of good fellowship. There were some that had never been before and we are thankful for that. It is always a mountaintop experience where we get "renewed" to go back and face the day-to-day reality of being a Christian where we live.

The ladies in WMU thank God for being given the privilege of doing missions in His Name, because that is what it is all about. It is His Mission, His Gospel, His Message, His World that we are trying to reach, and we constantly seek His guidance as we strive to do that.

World Missions Annual Report

God has called His people to proclaim His name among all peoples. Southern Baptists are committed to this task. We are learning to be mobilized to be on mission with God. We are learning to love the lost.

In 1994, Southern Baptists excelled in the challenge to spread the gospel of Jesus Christ. By the end of 1998, 4,570 missionaries were under appointment through the International Mission Board serving among people groups in 127 countries. In 1998, a record 885 Southern Baptists, appointed or commissioned through the International Mission Board, joined God to take the Gospel to people groups around the world.

Added to this new missionary force in 1998 were a record 20,140 short-term volunteers. This includes 171 people who served terms of four months to two years in the International Service corps program, as well as 732 college and seminary students who served through the Students on Mission program.

Last year, in unprecedented ways through Southern Baptists and Baptist partners overseas, there were 348,635 baptisms and 4,251 churches started on mission fields around the world. The total membership of overseas Baptist churches exceeded 4.4 million in 1998. God promised this would happen in Habakkuk 1:5, "Look at the nations and watch -- and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told."

The Last Frontier is that part of the world with little or no access to the Gospel of Jesus Christ. About 1.68 million people from 2,161 ethnic and linguistic groups live in the Last Frontier. This area has become the main focus of the International Mission Board. The 1999 Week of Prayer and International Mission Study will focus on these groups, as we study "The Unfinished Task."

God is also moving mightily through your North American Mission Board team. It's been two years since the ministries of three SBC agencies were combined to form this new agency. In partnership with state conventions, associations, and local churches, we are commissioning more missionaries, putting more money on the mission field, and starting challenging new ministries to reach North America for Christ. Last year, the Annie Armstrong Easter Offering and the Cooperative program were the largest in history. Following are a few highlights of what those offerings accomplished: 4,800 missionaries, 2,900 chaplains, and 75,000 volunteers.

Reaching People for Christ: 3,500 teenagers are accepting Christ each month through the First Priority program. This year 500 new cities are starting programs. During last summer's Crossover Metro Atlanta 3,000 people accepted Christ, with 10,700 responding to an evangelistic media campaign. Two hundred people are coming to Christ every month as the result of an invitation at the end of the Family Theatre movie aired on NAMB's FamilyNet television network.

Starting New Churches: NAMB has set an aggressive pace to move from a goal of starting 1,500 new church a year to 2,800 per year, including starting 1,000 churches in Canada as soon as possible. The Nehemiah Project has placed a NAMB missionary on each of the SBC seminary campuses and our seminary in Canada to serve as church planting professors.

Mobilizing Christians: There were 2,445 long-term volunteers serving through Mission Service Corps. Twenty-five thousand volunteers led 2,300 people to Christ. 13,500 World Changers served at more than 1,000 work sites. They led 918 people to Christ.

Other statistics show that The North American Mission Board, the International Mission Board, and other agencies of the SBC are dedicated to the tasks of taking the Gospel of Jesus Christ to all the people of the world.

PREAMBLE

Article I - Name
The name of this body will be the Little River Baptist Association.

Article II - Purpose
The purpose of this Association will be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our Associational programs, the work of the North Carolina Baptist State Convention and the Southern Baptist Convention, to the end that the Gospel of our Lord and Savior, Jesus Christ, might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

Article III - Objectives
1. To provide programs, projects and organizations that will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of Associational resources in meeting these needs.

Article IV - Authority
This Association is a self-determining body under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the Association may, upon invitation from a church, counsel with that church.

Article V - Membership

The Association will consist of messengers who are members of the affiliated churches as follows: (1) Officers of the Association; (2) Pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: five (5) messengers from each church with 100 members or less, and one additional messenger for every 100 members or fraction thereof beyond the first 100 members; but, no church may have more than ten (10) messengers plus the pastor of the respective church.
